DEFEATED BY HYPNOTISM.

The Printers Had Extraordinary Forces to Contend Against.

A Glittering Delineation of Hockey—Many Brilliant Plays on the Part of the Types.

Under the fierce glare of a million incandescent lamps, spurred on by the wild screams of frenzied thousands in the galleries, thrilled and inspired (we pause for breath) by the recollection of many fierce and glorious combats on the baseball diamond, 14 doughty puckeasers, representing the Printers and the Clothiers of Belleville, struggled stoutly last night for victory. The game was, of course, an easy thing for the Printers, all the way through, and a few unfortunate errors on their part, together with another reason which we will presently state, account for the fact that at the end of the game the score stood 3 to 2 in favor of the Clothiers. The types skated more gracefully, batted harder, kicked the puck more frequently, as down with considerable more momentum and altogether displayed a better knowledge of the more scientific and mysterious points of the game. The main cause of their so-called "defeat" was the fact that the rubber displayed an unconquerable and unquenchable aversion to being driven to that part of the ice where he held sway, thus scathing from the "Printers" the laurels which their superior science and beauty had placed almost witheringly in their grasp. To-day there are grave hints that the game may be protested on the ground that Mr. Langley hypnotized the puck. The matter certainly calls for thorough investigation, and we trust that our friends will not rest until it is sifted to the bottom. The Printers must not stand idly by and see the fair, staid banner of their noble craft trailed through the ice at the wheels of the triumphal chariot of a sixth-rate hockey organization like the so-called "Clothiers." (We're hoping mad and we don't care who knows it.) The puck was kicked off at eight o'clock and the fun started with a rush. The Clothiers were evidently nonplussed when they perceived the splendid aggregation of handsome and intelligent manhood against which they were to contend, so to give them a little encouragement the Printers cheered by their success. The Clothiers played with a reckless abandon which evidently pleased the spectators, but their opposition weakened and gave an exhibition of combination play equal to the equal of which has not been seen on our rink for some time. Two goals were scored in rapid succession. The puck was just about to be scored when the whistle blew for half time. After receiving the congratulations of many friends, the teams resumed play, wing to some defect in the ice, the Printers' combination was not so effective as in the first half. Encouraged by this the Clothiers managed to kick the puck through again, winning the game 3 to 2. The hockey played at times was thrilling. Before attending the game, our sporting spirit was subject to freckles, he is not a hockey player, more serious than locomotor ataxia. (At Hong Kong and Bancroft papers please copy.)

Madoc Township Enquires.

The Provincial Board of Health, met in Toronto yesterday. The authorities of Madoc township wished to know whether they could recover from the Gilmour Lumber Co. an expenditure of \$221 incurred in stamping out diphtheria, which, it was claimed, was brought from the lumber camp of the company referred to. The Board was unable to advise on this point, and Dr. Bryce forwarded a copy of the Health Act for the local Board to study.

To Rob a Church.

From appearance it was apparent that an attempt was made at an early hour on Monday morning to effect an entrance into Emmanuel Church. The footprints of two persons were to be seen leading to a window in the rear of the edifice, and an effort had apparently been made to raise the window, but without success.

turnously against the fangs. The fangs were only doing its duty, both, and your malevolent attempts to get even with it were unworthy of you.

Jimmy Langley, the veteran sportsman, in goal for the Clothiers, made many good stops, but pending the investigation alluded to above, we decline to give him all the credit he deserves. It is asserted that Jimmy was the widest part of pants in the store, and thus prevented the puck from gliding past him.

MR. EATON'S RECITAL

A Varied and Interesting Programme, Which pleased a Large and Appreciative Audience.

No doubt the severe weather last night kept many away from the opera house, but those who did attend have every reason to congratulate themselves, for the artistic vocalization of Mr. Frank Eaton and Mrs. Grant, aided in no small degree by the well-nigh perfect playing of Miss Mabel Johnstone and Miss Lillian F. Mills, was a source of unalloyed pleasure to all who heard them. Mr. Eaton's programme was varied enough to please everybody. There were love songs, martial songs, melodies overblowing with pathos, and after Mr. Eaton had seemingly run the gamut of all the emotions, he sang "Danny Deever," and sent his audience home with a "creaky" sensation on them, and the groans of pain rippling in their ears: "They're hanging Danny Deever in the morning." It would be hard to name Mr. Eaton's best effort. His numbers were all rendered with such faultless taste and delicacy of expression that in every instance his last number seemed his best. "Little Boy Blue" was sung with a tender pathos which harked many hearts with thoughts of bygone happy memories, while the old favorite "I've Gotten a New Game" was rendered with a thrilling martial dash and Mrs. Grant's voice shows evidence of careful cultivation since he took his departure from his native land. His manner was natural, and he joins the "Voice of the people" with the "Voice of the people" in a manner quite faultless, but, truth to tell, Mr. Eaton had a "Vibrant" note which seemed to please all his hearers last night. Mrs. Grant's two numbers were beautifully rendered, both gaining her recalls. Miss Johnstone played Morckow's melody in music in charming style, while Miss Lillian F. Mills fully sustained her high reputation as one of Belleville's ablest interpreters of classical music. Prof. Dingle played the accompaniments with his accustomed delicacy and beauty of expression. Especially was this noticeable in Denny's "May Morning." Following was the

Vital Statistics.

The registration of births, marriages and deaths with the City Clerk for the month of January was a heavy one, especially in the number of deaths, which totalled up to 23, three of which died in the township of Thurlow, adjacent to the city. There were 15 births and 12 marriages. The causes of death were as follows: Pneumonia, 1; septicæmia, 1; chronic bronchitis, 1; still born, 2; consumption, 1; appendicitis, 1; diphtheria, 1; heart disease, 2; disease of the liver, 1; drowned, 1; apoplexy, 2; kidney disease, 1; dysentery, 1; paralysis, 1; influenza, 1; meningitis, 1.

Public Attention.

A Worthy Object.

The Ladies' Benevolent Society of St. Michael's Church gave an entertainment last evening at the C.M.B.A. hall, which proved to be exceedingly interesting in its character. The attendance was large, and the proceeds, as the proceeds are to be devoted to the poor. A good programme of vocal and instrumental music was rendered, after which refreshments were served. Dancing was then indulged in by the greater number present until a late hour. Mr. J. R. Grevin was master of ceremonies.

WEDDING BELLS.

Miss Clara Leslie Wedded to Mr. James Hill.

A very pleasant event took place at the residence of Adam Leslie, Esq., 4th con. of Tyendinaga, on Wednesday evening, Jan. 26th, when his eldest daughter, Clara, was married to Mr. James Hill, of the same township. The Rev. D. O. McArthur, of Melrose, tied the nuptial knot. Miss Lena Leslie, sister of the bride, and Mr. Harry Hill, brother of the groom, supported the happy couple. The bride was attired in white organdie trimmed with ribbons, and carried a bouquet of white carnations and amaranth. The bridesmaid was dressed in cream to match and carried a bouquet of pink carnations and amaranth. Miss Maud Leslie, youngest sister of the bride, played the wedding march when the bridal party were taking their places. A wedding supper and games were enjoyed until midnight, when the young couple departed for their future home amid showers of rice and the best wishes of the guests present. It is needless to say that the bride was popular in the neighborhood, as was shown by the large number of costly presents which she received. We wish the young couple bon voyage through life.

Opening of the Legislature—The Speech
May Be.

Toronto, Feb. 1.—Everything is in readiness for the opening of the Provincial Legislature at 10 o'clock to-day. The carpets are down and floors have been oiled and there was an air of bustle around the official residence.

Mr. Oliver Mowat will perform the official ceremony, and will be received by a guard of honor of the Grenadiers, under Captain Meyer.

A luncheon for the Government will be held at 1 o'clock.

The clerk of the House reports an unwelcome demand for papers, and a clock room has been set aside for ladies in the Attorney General's Department, and another for the use of the judges, clerks and representatives.

Changes in Seats.

A few changes in members' seats have been made. Hon. J. M. Gibson and Hon. John Dryden take their places in front; Mr. Barry occupies the seat of the late Mr. Craig, and Hon. E. J. Davis will sit in Mr. Bowman's place, beside Hon. T. G. Garraway.

The session will last from six weeks to two months, as there is a great number of private bills to be considered. It is said nothing starting will come in the way of Government legislation.

The speech from the throne will deal with the usual announcements and the harvest, and propagation; the organization of the Fisheries Department and depending on the legislation the amalgamation of loan companies. The speech will also deal with election petitions and some change will be made in the powers issued to those who die.

Some announcements are looked for regarding mining and timber, but it is said no heavy legislation will be introduced.

In the evening the state dinner takes place at Government House.

VETERAN MOY HONORED.

The German Journalist of Berlin Honored by His Friends.

Berlin, Ont., Feb. 1.—Mr. John Moyle, the veteran journalist of this town, who has numbered among the oldest and most influential citizens of this town, was banqueted in an elaborate manner last evening by the Concordia Society, which were filled with a body of men highly representative of the civic bodies, professional and business men.

Mr. Moyle, together with Mr. Bissinger, whose death occurred a year ago, founded the Concordia, a capital German body, that was the means of making the town wealthy. The honor conferred upon Mr. Moyle marked his retirement from the journalistic field, which he entered in 1850. Mr. Moyle has also been connected with the Concordia Society for over 20 years.

AMERICAN KILLED. PHILIPINO.

The Father, in Revenge, Took the Lives of Three U.S. Soldiers.

The Ugly Feeling is Spreading—American Army Said to Be Provoking the Islanders by Acts of Vandalism—Some Other Cases of Killing—The Proclamation of Aguinaldo Explained—American Forces Being Moved to Manila.

Hongkong, Feb. 1.—The Philippine Junta here announces that it protests against the "refusal of the United States to associate with the Philippine commission representatives of the National Government," adding that the usefulness of the commission will "necessarily be greatly limited by the exclusion of Filipino."

The members of the Junta continue: "It is impossible for the commission, sitting only at Manila, unaided by the friendly co-operation of the National Government, to reach a proper understanding of the actual conditions of life in the Philippines, the unavailability of the aspirations of the people and their capabilities for self-government."

"Col. Denby's utterances in the November session are too pronounced to inspire confidence."

Some Sample Cases of Killing.

"Last week a Filipino boy was shot by an American soldier in the suburbs of Manila. The boy was with a Chinese man, a Chinaman in the market. The soldier was provoked, but they say he never intended to shoot. The boy's father, in revenge, attacked the American outpost, armed with a knife, and killed three of the Philippine soldiers."

"A Filipino officer was killed while walking in Manila by an American soldier. There was no provocation."

"The American army is daily provoking hostilities by acts of vandalism."

The members of the Junta also assert that the "allegations respecting a filibustering expedition and anarchy are pure fabrications."

"The whole country has declared its unconditional support of Aguinaldo, whose authority has never been denied. The public ignores the fact that every province in the archipelago is represented in Congress."

"Gen. Otta's action in prohibiting cable telegrams is a flagrant breach of international law, but the truth is leaking out."

The Filipino newspapers denounce alleged gross abuses at the Manila custom house.

The Eastern Telegraph Company announces that the problem against cable telegrams to Manila has been moved, although they are still considered.

The Second Proclamation.

Paris, Feb. 1.—The Philippine Junta here has received a cable message from Hongkong, explaining the second proclamation of the Philippine Republic.

The message says: "The first proclamation, in August, was the work of Aguinaldo and the generals. The second is the unanimous work of the Philippine Assembly."

Business Moving at Iloilo.

London, Feb. 1.—A despatch received from an English house at Iloilo yesterday says business is proceeding satisfactorily. But, the agents of the same firm, telegraphing from Hongkong, say the Iloilo telegram is unreliable as "nothing unfavorable to the Americans is allowed to pass the censor."

The Filipinos in Europe fear an outbreak of hostilities as soon as the peace treaty is ratified. They say the Filipinos are not ready to accept the peace treaty, and that they will not permit the Americans to land reinforcements on the island of Luzon.

Arriving Reinforcements.

Washington, Feb. 1.—Orders have been issued by the War Department to expedite the movement of reinforcements for the Philippine Islands.

The Philippine Islands. The reinforcements will start from New York next Thursday with the 1st Regiment of Infantry and four companies of the 17th Infantry.

The following Thursday, Feb. 9, the transport Sheridan will sail from the same port with the 13th Infantry and the transport quarters and remaining companies of the 17th Infantry. The officers in command of these troops have been instructed by telegraph to execute the orders for this movement without unnecessary delay.

TROUBLESOME CUBANS.

Mexico, Gomez Has Demanded Nearly \$600,000—Wants Disbanding His Army—Before the Money Paid.

New York, Feb. 1.—A Washington special to The Tribune says: Mexico Gomez, the Cuban commander general, has demanded nearly \$600,000 from the United States, and refuses to disband his army until the money is paid. He has repudiated the arrangement made by Calixto Garcia, who came to Washington with authority from Gomez to provide for the return of the Cubans to their peaceful pursuits and whose embassy had been treated with contempt.

On Dec. 11, it was then agreed that the United States, in order to secure the peaceful return of the Cubans to the plantations of the island, with a view to promoting the speedy revival of property and settled conditions, should distribute about \$800,000 in the form of 20,000 small to be sold under arms in the ratio of \$100 a man, the officers in proportion to the rank and file.

The amount, the ordinary enlisted men to be discharged with sums less than \$100, and the balance to be paid to the officers and other considerations. For over a month the pay corps of the army has been making out the list.

A CHIEF JUSTICE RESIGNS.

Sir Thomas Taylor of Manitoba Steps Down From the Bench.

Ottawa, Feb. 1.—Chief Justice Thomas Taylor of Manitoba has resigned. Hon. Sir Thomas Wardlaw Taylor was born in Scotland in 1833, and received his education at the Edinburgh University, and at the University of Toronto.

He was called to the bar of Ontario in 1858, and became a member of the Ontario bar in 1860. He was appointed a Q.C. in 1861, and was appointed a judge of the Queen's Bench in 1883, and chief justice of the province in 1887.

After his elevation to the bench he served as a member of the Government of Manitoba in 1893. He received the honor of knighthood in the year of his Majesty's jubilee in 1894. He was a member of the International Deep Waterways Association.

He retired from the bench in 1894, and was succeeded by Mr. Justice Giesbrecht. He is now a member of the law society, and is recognized as one of the most eminent men in the legal profession in Canada.

Winning Praise About It.

Winning, Feb. 1.—Referring to the resignation of Chief Justice Taylor, The Tribune last evening said: "Another part that is said to be well attested is that Mr. J. S. Ewart will be the new chief justice. Another rumor has it that the only possible arrangement will be that Judge Kilham will be made chief justice. Mr. Ewart will take his place. The first is regarded as the most likely. Other names mentioned in connection with the judgeship are those of Mr. A. F. Richards and Mr. Isaac Campbell."

After Canadian Tobacco.

Kingston, Ont., Feb. 1.—Mr. J. King, representing one of the largest tobacco brands of England, arrived here last night. He was met by at least 2,000 people of Essex County tobacco, and if his samples are satisfactory, will secure all in Kent County.

INCALCULABLE GOOD.

AN EXPRESSION OF FAITH.

Dr. Ward's Blood and Nerve Pills have done me an incalculable amount of good. I think they are the best, surest and quickest acting cure for nervousness, sleeplessness, anemia or impoverished blood, loss of appetite, general debility and all the ills that attend a weak and nervous system. For nine years, before I commenced taking Dr. Ward's Blood and Nerve Pills, my head was weak and in an unhealthy state. Its action was so much impaired that I could not walk across the street without feeling great distress. My heart fluttered and beating so rapidly that I could scarcely breathe, causing faintness, loss of strength, and leaving my nerves all unstrung. My sleep was very much disturbed, and I had no appetite. There was little strength or vitality in my blood; I was always excessively nervous.

I have now taken three boxes of Dr. Ward's Blood and Nerve Pills and have taken them not been away from my business and home. Before taking these pills it was a frequent occurrence for me to be away from business. As a result of taking Dr. Ward's Pills my heart is perfectly healthy and strong and gives me no distress or trouble whatever. They removed all nerve trouble and my nerves are now healthy and strong. They gave me a healthy appetite, Dr. Ward's Pills made me rich and strong and gave me a healthy appetite. Dr. Ward's Pills made me rich and strong and gave me a healthy appetite.

HIGH FIRE IN OWEN SOUND.

Hays Chain Factory and Contents in Ashes—370 Hands Out.

Owen Sound, Feb. 1.—The most disastrous fire that has ever occurred here took place yesterday morning, when the North American Bent Chain Factory, owned by Messrs. John G. Hay and A. B. Hay, was totally consumed, together with all the stock, machinery, patterns, etc., belonging to the company. The fire burned till daylight. The loss is a severe one to Owen Sound, over 370 hands were employed. The loss will be nearly \$100,000. Much of the contents, including patterns, etc., cannot be replaced. The stock alone was valued at more than the total insurance, which was about \$35,000. It was estimated that the town was as secure for the loan advanced to the company.

CATARRH OF STOMACH.

A Pleasant, Simple, but Safe and Effective Cure for It.

Catarrh of the stomach has long been considered a disease to be treated by the usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and acid lungs, and difficult breathing; headache, dizziness, nervousness, and a general played-out, languid feeling.

There is often a foul taste in the mouth, coated tongue and, if the interior of the stomach could be seen, it would show a slimy, inflamed condition.

The cure of this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlan's safe and best treatment is to use after each meal a tablet, composed of Distas, Aspic, Pepsin, a little Nux, Glycerin, and Food. These tablets can now be found at all drug stores under the name of Sturt's Dyspepsia Tablets, and not being a patent medicine, can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Boeber, of 2710 Dearborn St., Chicago, Ill., writes: "Catarrh is a local condition resulting from indigestion, and in the head, whereby the lining membrane of the nose becomes inflamed and the backward flow of mucus from the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years, but I could not find appropriate words to express my good feeling. I have found food, appetite and sound rest from their use."

Sturt's Dyspepsia Tablets is the safest preparation as it is the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book mailed free, on stomach troubles, by addressing Sturt Co., Marshall, Mich. The tablets can be found at all drug stores.

CHURCH DEBTS.

A Methodist Attacks the Sys-
tem of Raising Money for
St. James.Should Congregations Erect Fine
Churches?—The Subject From a
Workman's Standpoint.

To the Editor of THE INTELLIGENCER:
Sir,—Allow me through your columns
to give an opinion, held by others as well
as myself, upon the above important sub-
ject, which is now being brought promi-
nently before the Methodists of this and
other cities. Church debts, above all
others, are an evil to be deplored, as the
constant appeals for subscriptions have a
tendency to drive away from the churches
a class of workmen who are unable to
contribute largely. I think other more
practical methods than those at present
adopted could be found in order to reach
the class who are able to contribute.
Last Sunday evening I attended Bleecker
st. Church, and found that the usual ser-
vice had been dispensed with in order to
allow a layman to deliver a tract to bring
before the congregation what he described
as a very important matter. After tracing
the history of Methodism in this City and
in Toronto, he turned finally to the case of
St. James' Church, Montreal.

He described the difficulties which that
congregation were in, due to unforeseen
circumstances, namely, the removal from
the old Church and the expenditure of an
immense sum on the new church, and the
failure to make a success of the Temple
Building. In consequence, they are now
compelled to appeal for assistance in order
to prevent the purchase by the Roman
Catholics of the new Church and the Tem-
ple building. This appeal for aid to some
of our congregations might not be out of
place, but it is rather too much to ask a
poor congregation like that of Bleecker st.
Church to do the great and wealthy con-
gregation of St. James. The gospel teaching
is "Bless ye another's burdens," but how
many of our wealthy Christians live up to
this or to others, such as "Sell all that
thou hast and give to the poor," "Do unto
others as ye would that they should do
unto you." Instead of forgiving their debtors,
Christians very often exact the last penny
even under the most stringent circumstances,
on the principle that every man should take
care of himself. In the case of Bleecker
st. Church, I think that the Rev. Mr.
Rice and his beloved wife and co-workers
are deserving of all that can be raised by
the congregation. Ministers, like many of
our workmen and women, are very often
too poor. People, very often, on the
spur of the moment, subscribe amounts
for ministerial support, which they are af-
terwards unable to pay, and someone must
suffer.

The finances of St. James' Church are
the wealthiest and most successful men in
Montreal; they can manage their own busi-
ness affairs so successfully as to be able to
leave thousands of dollars to their heirs (the
Rev. Mr. Rice and his wife) and still have
them leave them to Providence and their own
efforts. I think those wealthy men should
be responsible for the debt, if they put up
a church, that they could afford. Better,
I think, would be a plan that is fully paid
for. I am not opposed to fine churches by
any means, but I think they should be paid
for as soon as erected. Mr. Moody, the
evangelist, refused to preach in a church
until a debt of \$25 had been provided for.

There is another question being dis-
cussed in the large cities, and which might be
discussed in Belleville, and that is, how
is the church to get a larger proportion
of the spendings of rich and poor, and
what are we to offer as a substitute for the
saloon? The church is closed all the week,
and nothing is offered as an offset to the
pleasures of the saloon. The Methodist
Church is a progressive one, proof of it
was shown at the last General Conference,
and it is only a matter of time when this
question will be solved by God-fearing men.

C. F. D.
IT IS A LIE.
Mr. Whitney Denies That the St. An-
thony Lumber Company Intimidat-
ed Workmen.

In the Legislature yesterday, Mr. Whit-
ney referred to the charges made against him
in the North Hastings protest, which
was to spread over the country take the
edge of West Elgin charges. Those charges
which are against the St. Anthony Lumber
Company are lies, and Mr. Whitney and his
friends know it. As a shareholder he de-
clared them to be false. He could not let
them pass unchallenged, as the manager
and vice-president of the Company was a
relative.

Committed For Trial.

The preliminary examination of Henry
Frigon, charged with undue intimacy with
his step-daughters, Margaret and Marion
Dery, was concluded at 5.30 yesterday after-
noon. The more serious charge was
dismissed, but the Magistrate held that an
indecent assault had taken place, and up-
on this charge he committed Frigon to
prison. Frigon was brought before Judge Lacombe
yesterday and elected to be tried before his
Honour without a jury. The trial was fixed
for Wednesday next at 10 a.m.

(Special to THE INTELLIGENCER.)
MONTREAL, Que., Feb. 3.—The Star will
to-night make the following definite an-
nouncement: While in Montreal for the
past few days Sir Charles Tupper has been
working energetically towards organizing
the Liberal-Conservative party.

Mr. Henry Dalby, for about twenty
years editor of the "Star," has re-
signed his position to become the organizer
for the English section of the party here,
and the confidential representative of Sir
Charles Tupper.

Mr. Jas. O'Brien, ex-President of the
Montreal Board of Trade, has become the
treasurer of the organization.

There has also been appointed a small
committee to superintend the work. Sir
Charles is one of its members.

Sir Charles goes to Ottawa on Friday.
He will at once take steps to push forward
the work of organization in every Province
of the Dominion.

with apoplexy, which resulted fatally, as death
ensued at four o'clock yesterday afternoon,
his having never regained consciousness.

Deceased, whose maiden name was
Annie Lawrence, was born at Hampshire,
Eng., 53 years ago. She was married
nearly 30 years ago to Mr. Digweed,
in company with whom she
emigrated to this country 22 years ago,
the greater portion of which time the
family have resided in this city and the
township of Sidney. She leaves, in ad-
dition to her husband, two sons, Charles
and Albert, who are at home, and three
daughters, Mrs. W. Nunn, of Toronto;
Florence and Maud at home. Deceased
was a member of the Anglican Church.
The funeral will take place at 2.30 to-mor-
row.

reported to have been fully sub-
dued, and the outbreak at the western part of
the township is also reported to be under con-
trol. It is to be hoped these rumors are
true and no further cases will be reported.

Dr. Ferguson, Medical Health Officer,
and the Local Board of Health are dissem-
inating of credit for their actions during this
outbreak. The Board this year are: Cyrus
Giles, chairman; Jas. Bon on, secretary;
and S. W. Dempsey, W. E. Anderson and

Dump Cars For The Mines.

Herald: The Dickson Bros., of Cam-
pford, Ont., are still working upon plans
for the mines of Marmora and Belmont,
several orders having been filled by them
during the past year. With increased ac-
tivity at the mines in that locality, which
will take place next summer, they will no
doubt be kept busy part of the year with
work of this kind alone. The cars they
have turned out, and other jobs for the
mines, has given satisfaction every time, as
is shown by the repeated orders given
them by the Canadian Gold Fields Co.

(Special to THE INTELLIGENCER.)
Barrie, Ont., Feb. 3.—A disastrous fire
broke out this morning in Vair and Co.'s
dry goods store, and spread on one side to
a store recently occupied by Frawley and
Dyall, J. F. Jackson's photo gallery and
W. A. Paul's dry goods store, and on the
other side to H. A. Stephens' clothing
store, Jas. Vair's grocery and E. H. Wil-
liams' stores.

The block of six stores was entirely de-
stroyed. Total loss is placed at fifty-six
thousand dollars, which is partially cover-
ed by insurance. The chief losses are B.
O. Oxenham, \$27,000, and Vair & Co.
dry goods \$15,000.

GOING 83 MILES AN HOUR

The Late Alex. Stewart's Train Was

Flying When the Collision Occurred.

The remains of the late Alexander Ste-
wart, who was killed at St. Paul on Tuesday,
arrived at noon to-day and were taken to
the residence of his brother-in-law, Mr.
Benjamin Mayo, Bleecker Avenue. It
appears that the unfortunate man met his
death through a runaway engine, attached
to which were three cars. Stewart
was engineer upon the fast express and
at the time of the collision his train was
going at the rate of 83 miles an hour according to the indicator.

His engine ran into the rear of the car,
which was upon the main line. Stewart
was thrown into a field and a tank con-
taining 30,000 gallons of water fell up n
him. The body was not recovered for
several hours after, as it was necessary to
undermine the tank in order to reach it.
His body was terribly scalded and was al-
so badly frozen. His frozen escaped death,
but received a number of severe
bruises and has since gone insane. The
accident occurred 61 miles east of Minne-
apolis.

Mr. Murchison MacDonald, a brother-in-
law of deceased, accompanied the remains
here. He was a member of the Old-
fellows of St. Paul, and an ex-member of
Belleville Lodge, No. 81, under whose
auspices the funeral will be held on Sun-
day afternoon.

Guard Givens Exonerated.

Kingston Whig: The penitentiary guard
charged with missing leave has an excel-
lent defence. He went to Belleville with
his wife and family. There his child be-
came seriously ill and the physician in-
formed him would not consent to its removal.
The guard then wrote for extension of leave
and received it. The public impression is
that he had leave for illness of his wife and
yet went out loitering, but this is an en-
tire misapprehension and quite unfair.

GOING 83 MILES AN HOUR

The Late Alex. Stewart's Train Was

Flying When the Collision Occurred.

The remains of the late Alexander Ste-
wart, who was killed at St. Paul on Tuesday,
arrived at noon to-day and were taken to
the residence of his brother-in-law, Mr.
Benjamin Mayo, Bleecker Avenue. It
appears that the unfortunate man met his
death through a runaway engine, attached
to which were three cars. Stewart
was engineer upon the fast express and
at the time of the collision his train was
going at the rate of 83 miles an hour according to the indicator.

His engine ran into the rear of the car,
which was upon the main line. Stewart
was thrown into a field and a tank con-
taining 30,000 gallons of water fell up n
him. The body was not recovered for
several hours after, as it was necessary to
undermine the tank in order to reach it.
His body was terribly scalded and was al-
so badly frozen. His frozen escaped death,
but received a number of severe
bruises and has since gone insane. The
accident occurred 61 miles east of Minne-
apolis.

Mr. Murchison MacDonald, a brother-in-
law of deceased, accompanied the remains
here. He was a member of the Old-
fellows of St. Paul, and an ex-member of
Belleville Lodge, No. 81, under whose
auspices the funeral will be held on Sun-
day afternoon.

Guard Givens Exonerated.

Kingston Whig: The penitentiary guard
charged with missing leave has an excel-
lent defence. He went to Belleville with
his wife and family. There his child be-
came seriously ill and the physician in-
formed him would not consent to its removal.
The guard then wrote for extension of leave
and received it. The public impression is
that he had leave for illness of his wife and
yet went out loitering, but this is an en-
tire misapprehension and quite unfair.

Healed the Breach.

George Simon, of Thurlow, was this
morning charged before the P. M. with
appropriating to his own use two cows,
the property of A. Clapp, of Thurlow.
After some evidence had been taken, the
paries arranged a settlement. P. J. M.
Anderson and J. F. Willis for plaintiff,
and G. Denmark for defendant.

Belleville Wedding Party.

Kingston Whig: A wedding party of
Bellevillians reached the city last night
and are quartered at the City Hotel. The
two principal figures of the little party are
Miss Kit Vannier and Andrew J. Stewart.
They are accompanied by John and James
Vannier and Miss Minnie Bell.

Passed With Honors.

Often in the morning there comes a feeling of weariness, indescribable; not exactly ill, nor fit to work, but too near well to remain idle. A Ripans Tabule taken at night, before retiring, or just after dinner, has been known to drive away that weariness for months.

Has all modern improvements—Erat oven, thermometer in oven door and everything else to make it a perfect range. AIR-TIGHT HEATER has come to stay. It has proved itself the most economical and efficient heating stove in the market.

Boundary and Reciprocity.

Washington, Feb. 2.—The sub-committee work of the Canadian High Level Commission yesterday was divided into two main sections: one dealing with the boundary question and the other with the reciprocity question.

The boundary question was the subject of a long and heated discussion, and the committee was unable to reach a decision on the matter.

The reciprocity question was also discussed, and the committee was unable to reach a decision on the matter.

The committee was unable to reach a decision on the matter, and the question will be referred to the full commission.

UNWARRANTED ASSAULT.

Daniel Stapley Attacks Harry Baker, Breaking His Nose.

At about 9 o'clock on Saturday night, Daniel Stapley was driving leisurely up Front st., when some boys commenced shouting out "whoa," and making other expressions at the horse, which was moving along at a slow pace. In front of the forward Stapley jumped out the sidewalk, without warning struck Harry Baker across the face with the butt end of a whip. The blow was of sufficient violence to break the unfortunate man's nose. Stapley also heard, inflicting a bad bruise. Those who saw the occurrence stated that Baker was, with others, an interested spectator, but had been drinking. After the occurrence, Baker was taken to a physician and had his wounds dressed.

Mayor Johnson's Attitude.

In our report of Friday evening's Executive meeting it was not made sufficiently clear that Mayor Johnson's remark that Mr. Corby had struck the right note had reference to Mr. Corby's statement that individual considerations should be left out of the question and the matter be considered only on business principles. The Company's desire to get all they could for the works was only human nature. The City desired to arrive at a fair and just valuation. The present owners sought the works as a speculation, and knew when they bought that the City could take them over at any time after ten years, so whether they had lost or gained on their speculation did not concern the present negotiations.

Better Than Ever.

BELLEVILLE'S BRILLIANT SON THE SITUATION AT MANILA.

Benjamin Franklin's Paper Tells How Gilbert Parker Became an Author,

Explaining Why he Abandoned the Green Fields of Journalism.

The Philadelphia Saturday Evening Post, the paper founded by Benjamin Franklin, and recently purchased and improved by the Curtis Publishing Company, in a recent issue tells how Gilbert Parker became an author. It will be interesting to Belleville people as an unprejudiced account of our great townsmen's early life: Like most bright boys, young Parker had his career carefully and prayerfully laid out by his parents, and when the time for individual action came he struck out on an entirely different course.

He was educated at Trinity College, Toronto, and then in obedience to the parental behest, he began to prepare himself for the Episcopal ministry. After spending a few months in theological study, he openly rebelled.

He had a natural appetite for literature, and, while pondering what he could do with it, or in it, he was surprised by a call from his college to become lecturer on English Literature. To this post he stuck till he realized that he was not yet on the right track, and then started on a voyage to Australia for his health, and to think.

For several months he travelled among the principal cities, supporting himself by lecturing. Then he was commissioned by the Morning Herald, of Sydney, to visit the South Sea, Sandwich, and other far-off islands, and describe the conditions of life he found there. While in Sydney he dramatized a version of Faust, which was produced at a theatre in that city and met with no great success.

Newspaper work was exceedingly distasteful to him, but his letters to the popular fancy that he was urged to gather them in book form, and his first two and only books of travel, Round the Compass in Australia and Below the Sun Line, were the result.

He was now an author, and speeded to London to establish himself. "By rare fortune," he said, "I was spared the first terrible experience of the average literary career in London, and I soon made my way into the magazines. When I went to London I carried with me a bag of introduction to editors. Neither of these men have ever accepted a line of my work. Those that gave me encouragement were strangers."

THE LAST SAD RITES.

All That was Mortal of Alex. Stewart Buried Under the Auspices of Belleville Oddfellows.

One of the largest funerals that has been held in this city for some time was that of the late Alexander Stewart, which took place yesterday afternoon. Deceased, who was for years a trusted G. T. R. engineer, was a universal favorite with his mates, and his untimely death caused widespread sorrow. For some years he had been a member of the Oddfellows' Society, and the obsequies were conducted under its auspices. There was a large turnout of members of both Belleville and Mispah Lodges. The I.O.O.F. Silver Band was also in attendance. At 2.30 a.m. bands were held at the house of Mr. Benjamin Mayo, Blackie avenue, being conducted by the Rev. J. J. Rice, pastor of Blackie street Methodist church. After the usual society method at the residence the cortege was formed and moved off in the following order:

Messrs. L. A. Little, A. Little and S. J. Young, of Trenton, were in the city to-day. Miss Ada Ward, of Bradford, is visiting at Mrs. A. G. Vermilyea's, Bridge st., west.

Mrs. Fred Ward, of Ogdensburg, N.Y., is visiting her mother, Mrs. Burckhardt, at Mr. D. E. K. Stewart, of Madoe, in the city to-day, and called at the Assay Office.

Mr. D. E. K. Stewart, barrister of Madoe, was in town to-day and called at the Assay Office.

Capt. John Allen, Turnbull st., left to-day for Kingston, where he will engage in ship building.

J. G. Rayburn, J. Gleane, Geo. Aldred, F. Vance and T. W. Rowland, of Deseronto, were visitors in the city yesterday.

Mr. A. P. Walker, G.T.R. Branch, resumed work to-day. He was a victim of the Murray Hill disaster, in November last.

Miss Isabel Crawford-Dickson, pupil of Miss Ethelind G. Thomas, will give a song recital in the City Hall to-morrow evening.

Mr. John McIntyre, Esq., Q.C., ex-Mayor, a brother of the Rev. O. R. McIntyre, has been elected chairman of the Kingston Board of Education.

Amongst the latest victims of grippa are: Alex. Harris, Mrs. Geo. Bowler, Mrs. B. Dawson, G. T. R. employee; Mrs. Geo. Dick and family and Mr. Jos. Hitchon and children.

We are pleased to note among the list of second year law students who are eligible to write for honors at Easter, the name of Mr. J. E. Wallbridge, son of Mr. Geo. Wallbridge of this city.

Mr. W. Andrews, of Minneapolis, with others, accompanied the remains of the late Alexander Stewart to the city. Mr. Andrews is an old Belleville boy, and will remain here a couple of weeks.

We regret to learn that Miss Ethelind G. Thomas, the talented organist of St. Andrew's church, is confined to her room as the result of a slight accident. Mrs. H. B. Rathbun presided at the organ at yesterday's services.

Died at Bowmanville.

Mr. Fred Quick, of the firm of Quick & Robertson, of this city, was in Bowmanville to-day attending the funeral of his father, the late Mr. Lewis Quick, who died on Saturday. Deceased was a well-known resident of Bowmanville, where for years he had been engaged in purchasing fruit for shipment. He was upwards of 60 years of age. Mrs. Quick died two years ago. A family of three sons and one daughter survive.

Frieze and Etoffe Pants, \$1.

50 pairs of heavy frieze pants sold regularly at \$1.25 and \$1.50 per pair to clear at \$1.00 per pair. Big reduction in all winter goods.—QUICK & ROBERTSON.

The Elevator Purchase.

On Saturday afternoon Aldermen Hanley, Starling and Hungerford made a minute inspection of the elevator which Mr. Corby intended he would purchase from the city, for the purpose of making a valuation. They agreed upon a price, which was subsequently submitted to Mr. Corby, and this gentleman will at a Council meeting this evening give his decision.

Police Notes.

Since Saturday the police have had a rather quiet time. The only occupants of the cells have been seven tramps, three on Saturday and four on Sunday night.

The Filipinos Have Not Yet Renewed the Attack.

American Cabinet Decide to Instruct Otis to Take Extreme Measures—Agonillo Files from Washington to Montreal—Statement of the Filipino Junta.

(Specials to the INTELLIGENCER.)

Manila, Feb. 6.—The Filipinos have apparently reached the conclusion that the Americans mean business, as there were no further hostilities last night, and no attempt was made to recover the lost ground. It is possible, however, that they are following the tactics they employed against the Spaniards, and will merely lie off a few days to recuperate their forces before returning to the attack.

WASHINGTON, D. C., Feb. 6.—Instructions will be sent to Major-General Otis to-day directing him to follow up his victory over the insurgents and to crush the power of Aguinaldo in the Philippines. This decision was reached at a Cabinet meeting at the White House last night. It was further decided, now that Aguinaldo has thrown down the gauntlet, that Tiolo shall be taken and the islands of the archipelago occupied as rapidly as possible and to the extent that General Otis' forces will permit.

Hong Kong, Feb. 8.—The Filipino Junta here has issued a statement setting forth that the fighting at Manila was only an outpost skirmish, designed to influence the vote in the United States Senate to-day on the peace treaty.

Montreal, Feb. 6 (noon).—Agonillo, who was at Washington as the representative of Aguinaldo, the leader of the Filipino insurgents, arrived here this morning, having been compelled to fly from the United States owing to the commencement of hostilities between the United States troops and the insurgents. He says Aguinaldo's action in attacking Manila must have been upon great provocation, and he charges the U. S. troops have been conducting themselves in an outrageous manner in Manila. He asserts further that it will take years for the U. S. to conquer the insurgent forces of the Philippine Islands.

AGONICILLO TALKS.

Political Agent of Philippine Tels How and What the Fighting for Liberty.

BIG LIST OF CASUALTIES.

One Canadian Boy, Ernest Scott of Bracebridge, Wounded.

Some of the Details of the Fighting—For a Time on Sunday the Shots Exchanged at Manila Were Very Hot—Talk With Agoncillo at Montreal—The Latest From Washington—The Fighting Continued.

Manila, Feb. 7.—Careful estimates place the Filipino losses up to date at 2,000 dead, 8,500 wounded and 5,000 taken prisoners. A circumstantial account of the fight between the Filipinos and the Americans on Sunday says that owing to the distance embraced in the scene of Sunday's engagements, a semi-circle of fully 17 miles, details regarding individual fighting have been extremely difficult to obtain.

So far as can be gathered the brush evening by the firing of a Nebraska battery at Santa Mesa upon Filipinos who were deliberately crossing the line after repeated warnings, with the evident purpose of drawing fire out.

The first shots from the American army evidently served as a signal, for there followed almost immediately a terrific fusillade along the Philippine line on the north side of the Pasig River.

The American outposts returned the fire with such vigor that the Filipinos were checked until the arrival of reinforcements. All the troops in the vicinity were hurried out and the Filipinos ceased firing for half an hour, while their own reinforcements arrived.

The fighting resumed. At 10 o'clock the fighting was resumed, the American firing line consisting of the 3rd Artillery, the Kansas and Montana regiments, the Pennsylvania, the Nebraska, the Utah battery, the Idaho, the Washington, the California, the Fourth Cavalry, North and South Dakota, Colorado, Sixth Artillery and Fourteenth Infantry. The Filipinos concentrated their forces at the points Calocan, Santa Mesa and Galpin, and maintained an intermittent fusillade for some time.

They bombarded into action at Galpin at 10:30, but only one gun annoyed the Americans to any appreciable extent, a howitzer on the road beyond Santa Mesa. The Third Artillery followed the Galpin battery by firing two guns simultaneously, which was followed by volleys from the infantry.

A full at midnight there was a lull in the firing, lasting until 10:40, when the whole Philippine line reopened fire. The Americans poured a terrific fire into the darkness for 20 minutes, and then there was another lull until daylight, when the Americans generally advanced.

During the night, in response to Admiral Dewey's signals, flashed across from Cavite, the United States cruiser Charleston and the gunboat Concord, stationed at Malabon, poured a deadly fire from their secondary batteries into the Filipino trenches at Calocan.

At daylight the United States double-turret sea-going monitor opened fire at Malabon, and kept shelling the Filipino line, while the American shells fell for the lives of thousands of Filipinos, who had been sacrificed on the altar of Liberty.

By 10 o'clock the Americans had apparently completely routed the enemy, and had taken the villages of Calocan, Santa Mesa, Paco, Santa Ana, San Pedro, Macorite, Pandacan and Pasig, and secured possession of the water main and reservoir, a distance of over six miles.

The Tennessee joined the American line at 10 o'clock on Sunday morning and assisted in capturing Santa Mesa.

THE AMERICAN CASUALTIES. List Contains the Name of One Canadian Who Was Wounded.

Washington, Feb. 7.—Bulleins sent by General Otis from Manila to the War Office here give a list of 40 killed and 85 wounded. The list contains the name of one Canadian wounded. This is Ernest Scott of Canada, First Idaho Infantry. He is 24 years of age, and was born at Bracebridge, Ont.

A PRELIMINARY BRUSH. There Are Two Sides to the Story—Agoncillo's Orders.

Hongkong, Feb. 7.—Yesterday afternoon the Filipino Junta issued another statement, reiterating the statement of the first and asserting that, despite the fact of the American control of the cable, the Junta's version of the fighting was only an outpost brush, due to American aggression. This second statement says: "General Aguinaldo has given special orders to the commanders to prevent hostilities unless the Americans are provoked by the firing of the Filipino lines." The Junta professes indignation that President McKinley's order to Gen. Otis to check aggression was not obeyed.

Warships Shelled a Train. Hongkong, Feb. 7.—The latest advice from Manila says that the rebel forces have been driven back ten miles, and their losses are estimated at 1,000 killed or wounded. During the fighting the United States warships shelled a train loaded with insurgents.

ANGEL CHILDREN. There are many angel children in this world that mother who each successive life seems to her but one more darling angel to continually her thoughts toward the sunshine of perfect happiness! But sorry is the lot of that poor mother who to whom motherhood has been a cause of rejection, but has become instead a burden to be dreaded and looked forward to with melancholy and apprehension.

WAS CROWDED

At the I. O. O. F. Concert

Last Night.

Humor and Pathos Alternately Chased

Each Other Across the Boards.

If any doubts existed as to the popularity of the annual "Comedy Concert" of Miraph Lodge they were pretty well dispelled last night, for the largest and most enthusiastic audience of the season greeted Mrs. Grant and the great quartette of entertainers engaged by the gentlemen who wear the three links. People love to be amused—last night beyond peradventure. They don't care (in the great majority of cases) how difficult a thing is, or how classical a thing is, or how great the expense was in procuring it; they simply want to be amused—and if promoters and managers do not fall in with their views and try to provide something which will strike a popular chord they may count every time on being greeted with empty benches. The large audience last night must have been inspiring to the performers, and they showed it by the vim which they put into their work. There was not a weak number on the programme. Everything went with a dash and "go" very refreshing to many who could recall concerts at which these elements were conspicuous by their absence. From first to last the interest never abated. It is safe to say that the Oldfellows' Concert will be eagerly looked forward to next season.

It would not be right to say that the lady vocalist had never been heard to better advantage. Mrs. Grant was not in very good voice last night—at least not in her opening number. Her customary truthfulness of tone was absent several times, and it was not until the second verse of her encore, "Loch Lomond" that she recovered her form and showed the beautiful vocalization of which she is capable. The duet between Mr. Grant and Mr. Geo. Fax, both deserving of high praise. One does not very often have a chance to hear five humorous entertainers in a bunch, such as the gentlemen who appeared last night. It would be well-nigh impossible to make a choice between them. Our local humorist, Mr. Geo. Fax, showed up grandly, and, though he was out of his element, he appeared to do as good advantage as any. Messrs. Kenny and Cameron won good opinions by their recitations, and the Bailey and Crockett variety party by singing fully as well as they recited. Mr. Bert Harvey certainly showed a marked improvement over his last season's form, and his number "Brass Buttons," was both in make-up, acting and vocalization, first-class. Nobody who saw and heard Mr. Jas. Fax last night will ever forget him. He sang "The Old Maid" a good singer, and his best friend would never accuse him of having much of a voice, but with his make-ups as so good, his songs so original and original, and his facial expression and stage action so irresistibly funny that Mr. Fax is almost certain, wherever he goes, to carry off the honors of the evening. Indubitably his best number last night was "Bandy McClusky." Dressed as a baroque Highland piper, Mr. Fax came in playing the bagpipes, and sang in Scotch dialect. The last line of each verse fitted in exactly with the drone of the pipes, and Mr. Fax strutted and swaggered alternately singing and piping, the ludicrous effect can well be imagined. The Oldfellows certainly spared no pains or expense in putting on their concert, and of its success they have every reason to be proud. Mr. (Col) Campbell and Miss Chalmers were the accompanists. The Oldfellows' Band played some tune selections. Following was the programme:

PART I.

1. Song—"A Canadian's Toast." J. Fax.

2. Song—"Brass Buttons." J. Fax.

3. Recitation—"The Old Maid." J. Fax.

4. Song—"The Old Maid." J. Fax.

5. Song—"A May Morning." Denna.

6. Recitation—"The Old Maid." J. Fax.

7. Duet—"Sports at the Fair." J. Fax.

8. Song—"Sandy McClusky." Kent.

PART II.

9. Song—"Jacob in Search of a Father." J. Fax.

10. Song—"To-morrow." J. Fax.

11. Recitation—"Shipwrecked." J. Fax.

12. Song—"The Old Maid." J. Fax.

13. Song—"Mrs. J. Grant." J. Fax.

14. Recitation—"The Old Maid." J. Fax.

15. Duet—"Oh, that We Two Were One." J. Fax.

16. Song—"He's Irish." J. Fax.

Called Home Suddenly.

A telegram was received in the city this morning advising the intelligence that Mr. John Sills, of Frankford, had died suddenly in the village of Campbellford. No particulars were given as to the cause of death. Deceased was a brother of Mr. E. G. Sills, ex-M.P.P. for West Hastings, who now resides in the city. Mr. Sills was a man of mature years, and for many years has been a member of the firm of Sills Bros., manufacturers. He was favorably known and his sudden demise will be mourned with regret.

STRUCK BY THE TRAIN.

Former Resident of Trenton

Killed Near Rochester, N.Y.

Hurled Thirty Feet—Accident a Fly-

tery, as the View of the Crossing

is Unobstructed.

Rochester Times (Monday evening):

Coroner Kleindienst will hold an inquest at the morgue this afternoon in the case of Percy Brown, a young man 18 years of age, who was killed by the cars on the Lehigh Valley railroad at West Henrietta at an early hour yesterday morning.

Young Brown was employed by W. H. Griffin, a dairy farmer. Young Brown's duties were to cover a milk route in this city. He was accustomed to leave home last Sunday morning at 7 a.m. It was 7.30 when he left the Griffin farm, which is on the Bailey road, half a mile south of the Lehigh Valley tracks. Just before he reached the crossing Engineer Daniel Conolly, in charge of the engine drawing the stub train between this city and Rochester Junction, saw him. Conolly blew the whistle and applied the air brakes, and his fireman, Frank Cunningham, rang the bell.

An instant later the engine struck the front of the wagon and the rear of the horse. The wagon was smashed and the horse thrown 50 feet and killed. Brown was thrown a distance of 30 feet, landing in the ditch beside the tracks.

The train was backed up to the scene of the accident and Brown was taken on board. Although unconscious, he did not appear to be fatally hurt, the only injury visible being a small wound on his forehead. The train arrived in this city the Homeopathic Hospital ambulance was summoned. On the arrival of a surgeon Brown was dead.

Coroner Kleindienst was notified and had the body removed to the morgue. An examination of the remains showed that the body was hardly marked, death being due to fracture of the skull. The coroner will hold an inquest in the case this afternoon, if it is possible for him to get his witnesses here.

Brown lived near Trenton, Canada, and came to Rochester about a year and a half ago. Deceased leaves one sister, Mrs. William Fulford, who lives at 389 State st., in this city.

Tuesday evening: An inquest was held at the morgue yesterday afternoon by Coroner Kleindienst in the case of Percy Brown, 18 years of age, who was killed at the Bailey road crossing of the Lehigh Valley railroad at West Henrietta, Sunday morning. The evidence showed that the young man was driving at a fair rate of speed toward the crossing.

Brown was either trying to make the crossing ahead of the train, or his horse became unmanageable. A Supervisor of the Lehigh Valley railroad stated that when a short distance of the railroad tracks there was a house and a barn and a thick orchard, besides the storm fence ten feet high, built by the railroad. This formed an obstruction to the view of the tracks from the road.

The deliberation of the coroner's jury took more than an hour. They returned a verdict of accidental death, and recommended that a flagman be stationed at this crossing by the railroad company.

A Beautiful Pair of Geldings Purchased

By our Popular M. P.

As mentioned in this paper only on Tuesday, Mr. H. Corby, M.P., has received the beautiful pair of carriage horses purchased by him from Mr. A. Yager, of Simcoe. They are geldings, five years old, and a beautiful pair in color. They stand 16 hands 1 inch in height and are splendidly matched. They weigh 1250 pounds each. The dam of one was the famous War Cry, which won the first race for the Queen's Plate. The sires were Billy Quaker and Royal George. They are both good saddle horses and fast roadsters, and one of them is a splendid hunter, being able to take a hurdle five feet high, carrying a man weighing 200 pounds. Mr. Corby is naturally proud of his purchase.

\$10.00 Suits For \$6.50.

You get them exactly as advertised at the Oak Hall. Of course some of the one hundred suits are only \$8 and \$9, but we show you them, and very often the pattern of the chequer suits please the best, and any of them are a bargain. Three-quarters of the buyers so far had never before worn a ready-made suit. We surprised them on the fit and quality. We will lose quite a lump of money before this sale of suits is over, but we are going to have some permanent new customers. It is going to pay us in the long run.

BURIED WITH HONORS.

A Large Gathering at the Funeral of Willie Sero.

The funeral of the late Willie Sero took place this morning, and, despite the severe cold weather, was very largely attended. An escort and firing party of No. 2 Company, XV. Battalion, with Col. Sergt. Sharp in command, headed the cortege. The Catholic Order of Foresters, of which deceased was a member, was well represented. They proceeded to St. Michael's Church, where Mr. Farrelly officiated. The church was well filled with sympathizing friends. The choir sang the "Agnus Dei." At the grave Rev. Father Conolly officiated. The bearers were, O. Douglas, W. T. Smith, W. Dunlop, F. Mesinger, P. Smith and E. Gillick.

Ten Dollars.

How to Make It...

To save \$10 on a purchase is equivalent to making it. Here is how you can do it:

Carpenters and painters are busy re modelling our Men's Department. We are retiring from the Tailoring branch, and the Cloths and Tweeds must be cleared out.

We have finished stock taking and find that we have more Tweeds than we thought.

They are all new and fashionable goods. We never allow old stock to accumulate. THESE PRICES should move them out:

Suits that were \$18 to \$22 for

\$12.

Suits that were \$23 to \$25 for

\$15.

Suits that were \$26 to \$30 for

\$18.

All made to your measure with best linings. Fit guaranteed.

If you buy the cloth by the yard you can have it for less than manufacturer's prices.

(From our own Correspondent.)

Ameliasburg, Feb. 7.—After many weary weeks of suffering from that insidious disease, consumption, the spirit of a well and favorably known citizen of Picton, Capt. Ferguson, took its flight on Friday, January 27. The deceased had reached the age of 32 years, 5 months and 12 days. The wife of Capt. Ferguson was born in the year 1835, and is now 37 years of age. She is a native of Scotland, and has been married 12 years. She has one son, and one daughter, both of whom are now residing in Scotland. removing to East Northumberland after removing from his birth. Three brothers survive him. He received his early education at the public school, Smithfield, subsequently entered the high school at Brighton. Some twelve years ago he came to Picton, and for a time was employed as a clerk in the post-office, which brought him prominently before the public, and all who knew him learned to respect him. Later on he had the honor to be elected a member of the board of the older ladies' church and

INCREASE OF NAVAL FORCE

Will Be the Question Before the Imperial Parliament.

The Number of Men Is to Be Doubled—The Increase in the Reserves—Additional Inducements Will, It Is Thought, Be Necessary to Get Men to Serve—An Improved State of Pay Looked For—Cable News.

London, Feb. 13.—Among the questions before Parliament, the increase of the naval force will occupy the greater part of the session. A proposition will be made to fix the personnel of the fleet at 110,000 men. The Admiralty is reported in naval circles as making ready to propose an increase in the number of personnel, which are now limited to 27,000 men. The number will be doubled. The Outfit in dealing with this subject says: "The Admiralty will be compelled after additional inducements in order to get men to serve the number of the U. S. naval personnel will now in the Senate, will give the British naval engineers the courage to insist on an improved state of their pay."

It is the affairs of the Government continue in their present state of confusion, Lord Salisbury will go to the Riviera in March.

ST. JOHN'S PRESBYTERIAN CHURCH

at Brockville Burned.

A Montreal Fireman Killed by the Fall of a Commercial Steamer, Overboard and St. John's Presbyterians Were Also Injured by the Fire Flood—Seventeen Victims Burned to Death.

Montreal, Feb. 13.—Edward Smith is dead and James Smith is seriously injured as a result of a \$200,000 fire which broke out yesterday in Mr. Smith's building, corner of Chaboussier and St. John's streets. A fire broke out in the lower part of the building, which was occupied by a grocery store in the lower floor and a hall, the west wall fell, killing Smith instantly and injuring his companion. The damage to the building will be about \$100,000, and the hospital authorities say money will be recovered. Smith had only been on the force about a year.

Dr. McNeill's Loss.

Comber, Ont., Feb. 13.—Dr. McNeill's residence was entirely consumed by fire shortly before 11 o'clock yesterday. The fire started between the inner walls, and had its origin from one of the heater pipes of the furnace. The fire made great headway and only part of the furniture was saved. The building was valued at \$1,200; insurance, \$800. There is an insurance of \$100,000 on the house. Dr. McNeill disposed of his practice and residence to Dr. McNeill of Alton, and a copy of the deed was filed in the court. Dr. McNeill was the owner of the house. SECOND FANCY DRESS CARNIVAL.

A Very Successful Event Largely Attended.

A Large Number in Costume—Kaffir Chief Carries Off the Honors.

The second fancy dress carnival of the season was held on the new rink last evening and was a complete success. The number in costume was surprisingly large, and the costumes displayed great ingenuity and taste in their selection. The prize for the best dressed gentleman was won by Mr. W. Taylor, who with assagai and shield, made a very forcible-looking Kaffir Chief. Miss Ethel Harris, a smart-looking Cadet, won the prize as best-dressed lady. The best-dressed boy was Ellis Fax, who was attired as a Drum Major. Mabel Vermlip, of Canada, won the prize for best-dressed girl. The judges, who had no easy task in selecting the prize-winners, were Messrs. Cameron Brown, S. G. Retallack and W. Thompson.

The view from the spectators' gallery was a very pretty one. The strange medley of the beautiful and the grotesque and the kaleidoscopic change of color as the katers glided around to the strains of music would remind one of the Midway Plaisance. The usual amusing anachronisms were to be seen. To see a Page of Queen Anne skating with the Yellow Kid was surely surprising, and to see the immortal Little Bo Peep, whom we supposed hoary with antiquity, looking quite fresh and dainty and in close companionship with an up-to-date British "Gibbs" was a study to shake our faith in the revered nursery tale, but when we witnessed the Palmist David whirling about with the Stars and Stripes, it was too much, and as the saying is, "we were carried away."

However, everyone was happy and voted the Carnival delightful. The following were in costume:

MAY PROVE FATAL.

Joshua Richardson Will Probably Die as a Result of a Shock.

He Was Burned Out on Sunday—Wife and Children Badly Frozen.

(Special to the INTELLIGENCER.)

STIRLING, Feb. 13th.—The residence of Joshua Richardson, situated between Frankford and Stirling, was totally destroyed by fire at nine o'clock yesterday morning, together with all its contents. Mr. Richardson, who is very ill, had to be carried out. He will probably die from effects of the shock to his nervous system. It was at first thought that an infant child had been burned to death, but it was afterwards found. Mrs. Richardson and several children had their hands and feet terribly frozen.

Great Overcoat Sale

The prices that Oak Hall will give you now on the balance of the overcoat and slater stock will prove a big saving to you. The season is getting well along, and we still have too many heavy coats to carry over. If you think your old coat will do this winter, see if it would not pay you to buy for next season.

THEIR ANNUAL TEA

The Congregation and Friends of Holway St. Church Feast and Make Merry.

The annual tea meeting of the West Belleville Methodist church last night, though not so large as attended in former years, was still very successful. Quite a number of friends from Bridge st. and the Tabernacle joined them at the festive board, and what they lacked in numbers they certainly made up in good nature. Tea was served shortly before 7 o'clock, and after all had partaken of the good things provided, an interesting programme was carried out in the church. The stirring old hymn, "All Hail the power of Jesus' Name," began the proceedings, and then Rev. Mr. Rice offered prayer. Rev. Mr. Watch was a very efficient chairman, and he gave a brief resume of the past and present workings of the church, which showed it to be in a highly satisfactory condition. The programme, which was a most enjoyable one, consisted of an anthem by the choir, solos by Miss Kathleen McMurray and Mr. F. Y. Brenton, instrumental music by Mr. and Mrs. Ford, an organ solo by Fred Willmet, a recitation by Miss Kenyon and addresses by Rev. Mr. Rice, Rev. Mr. Martin and Mr. W. W. Chown. Shortly after 10 o'clock "God Save the Queen" brought a very pleasant meeting to a close. Mr. Walter Mills presided at the organ. There will be a social in the lecture-room of the church to-night.

The Last of the Line

On looking over our inventory list, we find we have quite a number of good suits in men's, youths' and boys' that are the last we have left of the line. As we are unable to duplicate the patterns, we have decided to cut the price low enough to tempt anyone. The goods are all good points in design and finish and are yours without profit simply to close out the pattern. Come and see how close we keep to facts.—QUICK & ROBERTSON.

DIED IN ROCHESTER

A Former Resident of Belleville Dies in the Flower City.

Mr. Stephen Eustace, of this city, last evening received a telegram from Rochester, N. Y., announcing that his brother James was dead. No particulars were given as to the cause of death, but as Mr. Eustace had not been apprised of his illness it is thought that death was sudden. Deceased was about 58 years of age and was a blacksmith by trade. He learned his trade and worked at it for a number of years in this city. He had been a resident of Rochester for over 25 years. He was a widower with no family. Mr. S. Eustace left this morning for Rochester to attend the funeral.

Police Notes.

Shortly after midnight the police received a call to a residence in the Grove, in being reported that a young man was assaulting his father. When the officer arrived the son had already departed. It is alleged that he threatened to kill his father with a knife, but was prevented from doing any harm. The young man in question, whose name is Alfred Legault, was arrested this afternoon by Officer Hayes, and his case will be investigated in the police court to-morrow morning.

The occupants of the cells last night consisted of three tramps.

Mr. Crook, who resides near the G. T. R. station, reports that some time last night a number of flannel articles were taken from a clothes line in rear of her premises.

A SILK SALE.

The coming season promises to be a particularly strong one for Fancy Silks. Mr. Ritchie writes us from Europe that they are more in demand than for years past. We are going to give you an opportunity to supply yourself in advance. We have gone through our entire Silk stock and have laid out about A THOUSAND YARDS of Plain and Fancy Silks, regular prices from 50c to \$1.25. THESE WILL GO ON SALE TUESDAY MORNING

at 38c and 50c a yard.

This sale will continue all the week, but the first to come will of course get best choice.

A Few Soiled Garments.

Following our very successful White Goods Sale we will clear out this week a quantity of soiled and mused garments at exceedingly low prices. Some of them marked at less than half the original price. It means loss to us, but will be a gain to you if you take advantage of the offer quickly. On sale in the Underwear department Tuesday morning.

NEW PRINTS.

We have just put in stock several thousand yards of fine English Prints, Walter Crum's celebrated make. It would be a good time to make your selection and get your own and the children's sewing done early. 32 inches wide at 10c and 12c a yard.

Tilt at the Board of Education Over a Chairmanship.

Inspector Seath's Report-Baldwin Ward Secures Representation.

Last night's meeting of the Board of Education was culminated by a somewhat acrimonious debate in regard to the election of the chairman of the School Management Committee, between Dr. R. Tracy and Mr. Hugh Walker on one side, and Mr. F. E. O'Flynn and Mr. Wm. Johnson on the other.

Dr. Tracy brought up the matter by rising and declaring that he had been elected to the position of chairman of the meeting to select a chairman for the School Management Committee, and that in a hurry he had declared that Mr. J. Lyons Biggar had been elected, without considering that he had a vote himself, which would have been cast for Mr. I. Diamond, thus making the vote tie.

He claimed it was a put-up job to move him to the chair in order to confuse him, and thus prevent his vote being cast for Mr. Diamond. He had been informed that a member of the Committee, Mr. F. E. O'Flynn had been boasting of having stolen a march on the speaker in regard to the matter. He wished to know if the report of the Committee in regard to the election of a chairman had ever been adopted.

Mr. O'Flynn indignantly disclaimed any intention of putting up a job on Dr. Tracy, and asked for his authority as to the statement of his having boasted of having circumvented him. It was a choice between two men equally able and worthy of the chairmanship, and he had no ulterior motive in moving Dr. Tracy to the chair.

Mr. Wm. Johnson explained that it was not the custom of the Board to formally adopt the reports of the Committees in regard to the election of chairmen. They were always tacitly agreed to, he knew of no such job as Dr. Tracy spoke of.

Mr. I. Diamond agreed with Mr. Johnson as to being governed by precedent. That gentleman, however, was willing to ignore precedent when it suited his own ends.

Mr. Hugh Walker thought that Mr. O'Flynn's purpose in moving Dr. Tracy to the chair was to take advantage of him and deprive him of his vote in regard to the chairmanship.

Mr. J. F. Wills thought the report of the Committee as to chairmen elected should be formally adopted, the same as any other report.

Finally, Mr. Hudson moved that, as Mr. Biggar's name had been printed on the motion forms as Chairman of the Committee, the matter be allowed to drop.

After Mr. I. Diamond had declared his concurrence in the resolution it was adopted.

G. V. SCHOOL COMMITTEE.

Mr. J. F. Wills brought up the matter of the representation on Queen Victoria School Committee. He was unavoidably absent from the last meeting of the Board, and now took the first opportunity of protesting strongly against the fact that Baldwin ward had no representation on this Committee, as at present the latter consisted of the six High School Trustees, the two Public School Trustees from Ketcheson Ward and one P. S. Trustee from Samson Ward.

Baldwin Ward sent as many pupils as any ward in the city.

Mr. I. Diamond thought every ward should be represented on the High School Committee.

On motion of Mr. Johnson, the rules were suspended in order to allow Mr. Wills to introduce a motion, to have the High School Committee be enlarged, to consist of eleven members, which was carried.

On motion of Mr. Johnson the Committee for this year will consist of the six H. S. Trustees, the two P. S. Trustees from Ketcheson Ward, the two P. S. Trustees from Baldwin Ward and Mr. O'Flynn from Samson Ward.

COMMITTEE'S REPORTS.

The Finance Committee's report was adopted. It recommended the payment of \$1.30; Annie Ross, \$20.00; A. L. Geer, \$14.06; Jas. Young, \$2.50; Wm. McInnis, \$1.45; H. Elvins, \$1.20; G. Ritchie & Co., \$1.45; D. Dawson, \$2.25; Jas. Mullins, \$2.50; C. O. Leavens, \$2.25.

INSPECTOR'S REPORT.

The report of Inspector Johnson for January, giving the attendance and the result of the promotion examinations was read.

Secretary Diamond read his report as to the amount of insurance carried on each building, and the report of the Inspector of Buildings as to the value of the property thus insured.

The report of High School Inspector Seath was also read. The following is a synopsis:

The Board should appropriate a yearly sum for the improvement of the library and apparatus of the school, and put both in first class condition.

Ratio of pupils to teachers, 44. The staff is sufficient for the present total attendance, but if the school is to be enlarged, as is so disproportionately large, some readjustment will be necessary.

MISCELLANEOUS.

Staff—All legally qualified.

Discipline—Satisfactory.

CHARITABLE TRADING.

THE HOUR OF ELECTION.

Mr. Johnson brought up his motion, of Board petition the Legislature to make the elections for P. S. Trustees by cumulative voting in cities where the latter mode was accepted in regard to municipal elections.

Dr. Tracy suggested that the scope of the motion be enlarged to include the election of H. S. Trustees.

Mr. Wm. Johnson readily consented to this, and with his motion a notice of motion was allowed to stand as a notice of motion.

On the suggestion of Mr. Johnson, as a

matter of courtesy, a notice of motion given by Mr. T. H. Wills was, in his absence owing to illness, allowed to stand.

THE BY-LAWS.

Mr. I. Diamond gave notice that at the next meeting he would move the appointment of a Committee to revise the by-laws and rules of procedure of the Board.

RE TAXATION.

Mr. J. L. Biggar gave notice that at the next meeting he will move as follows:

That the Chairmen of Finance, of Queen Victoria and High School, Streets, Buildings and Repairs, Printing and Supplies, and the School Management Committees, be a Special Committee to enquire into and report upon the cause of the increase in the amount levied for school purposes in the last few years, and to report to the Board if any reduction can be made in the same without injuring the efficiency of the Schools.

Those present were: Rev. Canon Barker, Chairman; Messrs. I. Diamond, J. F. Wills, J. L. Biggar, H. Pringle, Dr. Tracy, Geo. Bennett, J. H. McInnis, H. Walker, John Martin, F. E. O'Flynn, Wm. Johnson, W. C. Reid, S. J. Widdon and W. P. Hudson.

The Last of the Line.

On looking over our inventory list, we find we have quite a number of good suits in men's, youths' and boys' that are the last we have left of the line.

As we are unable to duplicate the patterns, we have decided to cut the price low enough to sell any of the suits we have left at the points in design and finish and are yours without profit simply to close out the pattern. Come and see how close we keep to facts.—QUICK & ROBERTSON.

DEPUTATION OF ONE.

Mayor Johnson Represents the City on Deputation Re-Assessment Act.

The special meeting of the City Council, held yesterday afternoon to consider the advisability of sending a deputation to Toronto in reference to having the assessment act re telephone and telegraph poles, wires, etc., remedied, decided to send His Worship Mayor Johnson.

The members present were: Mayor Johnson, Aldermen Jones, Starling, Bogart, Doyle, Robinson and Pantar.

The Mayor stated the meeting was called to consider the advisability of sending a deputation to Toronto to confer with other municipalities in petitioning the Ontario Government in reference to sending the assessment act, respecting the taxation of telegraph and telephone poles, wires, etc., His Worship read a communication from the Mayor of Brantford, stating that that city would send a deputation and that it would be in Toronto on Wednesday, Feb. 15th, at 2 p.m. The city was only at present, owing to the change in the assessment act, able to assess the Bell Telephone Company \$1,033 per year, which was not a fair assessment.

Ald. Starling moved, seconded by Ald. Bogart, that His Worship the Mayor be the deputation on behalf of the city. Ald. Bogart said it did not need a large delegation, as there would be a number of other gentlemen to assist in the matter.

Ald. Doyle was in accord with the proposition that the Mayor be the deputation, as he considered His Worship was in every way capable of representing the city in the matter.

The motion was unanimously adopted and the Council adjourned.

A DRUGGIST'S FAITH.

What's Most Called For Must Be the Best Remedy.

A druggist's testimony of the popularity of a remedy is the strongest kind of a proof that it is all right. What it promises. Paul Livingstone, druggist of Allentown, Pa., says: "Dr. Agnew's remedies have been a great help to me. Many of my customers quote me for saying that Dr. Agnew's Catarrh Powder is the best seller for catarrh in my store. Many of my customers praise it highly." It is a great remedy and has a continental reputation. Sold by J. S. McKeown.

THE POLITICAL JACOB.

Mr. W. C. Mikel, Belleville, Addresses Toronto Young Conservatives.

Mail and Empire: There was a fair attendance at the meeting last night of the Young Conservative Club, and Mr. J. F. Faudie presided. Mr. W. C. Mikel, of Belleville, one of the best known young barristers in Eastern Ontario, was present, and when called upon spoke briefly, touching first upon the cheering signs of the recuperation of the Conservative party. Of the Ontario Government, he said that Mr. Hardy was now adopting Mr. Whitney's policy of retrenchment, but the speaker had no faith in him; he had put the large majority of the people to the support of the party that would stand for clean, honest government. Certainly Mr. Hardy, had no justice system, could not be relied upon for it.

ON THE WAY HOME.

Former Resident of Roslin Dies in the Hospital at Chatham.

Mr. W. P. Hudson, ex-M.P.P., of this city, this morning received a telegram conveying the sad intelligence that his brother, Mr. Henry Hudson, had died of several weeks from pneumonia. Deceased, who was a former resident of Roslin, took ill at a Malignant tumor where he had been employed and started for his old home. When he reached Chatham, where he had formerly worked, he found he could no longer stand and intended the leaving.

The late Mr. Hudson was a woodworker by trade, unmarred, and about 48 years of age. Mr. W. P. Hudson left to day to bring home the remains.

THE NAPANESE PRISONERS

Pare Suffering from Rheumatism—Holding Very Despondent.

While in Napane last evening, a representative of this paper made enquiries as to the condition of Pare and Holden, the confessed robbers of the Dominion Bank. Pare is suffering slightly from rheumatism, but is not seriously ill. Holden is very despondent. A well known legal gentleman who visited him a few days recently found him in tears. When asked why he declared that it was the birthday of one of his children, and the anniversary called up tender recollections.

BLAIR'S METHODS.

the Dominion Again to be Bled?

When Hon. Mr. Blair, at a late election, was defeated in the County of York, New Brunswick, it was through the influence of Mr. Alex. Gibson, of Fredericton, the great Liberal King of the Province, who was disabed to Blair was of no ordinary character. It was therefore with no little surprise that immediately after a visit by the Minister of Railways to his old hunting grounds, in York, it was announced that a son of Mr. Gibson was to be a candidate in the election of the Dominion Government, which election Mr. Blair is now engineering by bringing all the Dominion influence possible to bear, to secure for his friend Premier Emerson a majority in the Province.

The reason for the Gibson somewhat easily be fathomed when it is known how the coffers of the Blair family are held in his interest. Here is the story in a nutshell:
A mysterious visit of the Minister of Railways for the Dominion to Fredericton was followed by a general election, the result of which was the defeat of Mr. Blair. The Minister of Railways, who was in the city at the time, was the one who called on Mr. Blair, and it was through his influence that the Blair family was able to secure a majority in the Dominion Government.

Today's "Sun" publishes the solemn declaration of W. J. Dean, one of the Ontario candidates for the Dominion Government, that he was on Saturday, April 10, 1900, in the company of Mr. Blair, and that he saw him at the time of the election of the Dominion Government.

What is it? It is a liquid, fragrant and cleansing, which rapidly volatilizes when inhaled. It has been used for many years, and is now being used for the treatment of the throat and nasal passages. It is a true remedy for the treatment of the throat and nasal passages.

James Eustace, Formerly of Belleville, Dies in His Chair

At His Home in Rochester—A Brother Died in a Similar Manner.

In Tuesday's issue we chronicled the fact that James Eustace, formerly of this city, had died in his home in Rochester, N. Y. He had been found dead in his chair, and a brother had died in a similar manner.

At about 11 o'clock this morning James Eustace seated himself by the kitchen stove at 771 Ward st. He had not been working when he was found dead, and he was found in his chair, and a brother had died in a similar manner.

An alarm was given immediately and efforts to resuscitate the man were made by Dr. Emmery, who was called. These were unsuccessful. Coroner Kleindienst was summoned.

Eustace was 55 years old and was injured in a bridge accident on the B. R. and was found dead in his chair, and a brother had died in a similar manner.

When found the body reclined in a chair by the side of the stove, fully dressed and with no indications of distress or violence. Mr. Eustace leaves two brothers, one a driver for the American Express company and Stephen, of Belleville, Ont., and one sister.

Coroner Kleindienst, after an investigation of the case, came to the conclusion that the man died from heart disease and decided to grant a certificate of death from that cause.

CONSTANT FEELING OF LASSITUDE.

From Parrboro, N.S., Leader.

There is scarcely a man, woman or child in the busy mining town of Springhill, N. S., who does not know Mr. Moses V. Ross, the trusty agent of A. R. Fulton, dealer in hardware and implements. Two years ago the writer first met Mr. Ross, and was struck with the extreme pallor of his countenance. He seemed to be in the deadly grip of consumption. Recently business again brought him to the home of the writer, but a remarkable change for the better had taken place in the interval. Upon enquiry it was learned that failing health first induced Mr. Ross to go upon the road as salesman in the hope that a change of scene would be beneficial. The result, however, did not meet with his expectations. The food he ate was unwholesome, and the work he did was too much for him. He became exhausted, and to use his own words, he was so weak and nervous, and used up, that he felt that he "could never get on his feet again." He was in this hopeless and discouraged condition when a friend recommended Dr. Williams' Pink Pills. He decided to try one box, and before he was long he found some benefit from them. He then bought four more boxes and each week found an improvement in his condition. His stomach ceased to trouble him, his sleep was better, and his health was fully restored, and he has since continued to be excellent, and he is not backward in telling his friends the sterling worth of Dr. Williams' Pink Pills.

THAT FAMOUS LECTURE.

The Canadian Gazette Replies to Rev. F. W. Armstrong.

The Trenton Rector Who Lectured on Canada in England—Did he Display Good Judgment?

The controversy between Rev. F. W. Armstrong, of Trenton, and the Canadian Gazette, of London, Eng., in regard to the matter contained in some lectures delivered by the reverend gentleman in England, will continue. The Intelligencer has the following reply, which will appear in the Gazette, to Mr. Armstrong's recent letter on the subject. We give it in full without comment:

The Rector of Trenton, Ont., the Rev. F. W. Armstrong, writes to the Canadian Gazette, of London, Eng., in regard to the matter contained in some lectures delivered by the reverend gentleman in England, and we regret the fact, for Mr. Armstrong has rightly earned a reputation in his part of Canada for piety, industry, benevolence and good works.

Having said so much we hope we may be pardoned for pointing out that the lectures of this gentleman have been a grievance against the Canadian Gazette; and we regret the fact, for Mr. Armstrong has rightly earned a reputation in his part of Canada for piety, industry, benevolence and good works.

HIS DEATH A MYSTERY.

It May Never Be Known How R. B. Snyder, of Foxboro, Met Death.

A despatch from Vancouver, B.C., says: R. B. Snyder and James Cook, miners, engaged near Fort Hill, were killed on Monday under circumstances which will probably remain a mystery. They were working in a cut by themselves, blasting, and no other attention was paid to them by other workmen in the vicinity. About 10 minutes after one of the explosions, two Italians passing the cut found both men unconscious and blood flowing freely from wounds in their heads. They were taken immediately to camp where attention was paid them, but Cook died within an hour after he was found and Snyder within three hours. The latter came from Belleville, Ont.

The unfortunate man Snyder above referred to was a son of Mr. Austin Snyder, of Foxboro. His death was mentioned in the Intelligencer of Tuesday last.

A Mite Social.

There was a large attendance at the residence of Dr. Goldsmith last evening, the occasion being a mite social, held under the auspices of the Ladies Aid Society of the Methodist Church. Rev. N. Hill, pastor, presided and the following interesting programme was rendered: Vocal solo by Misses Gardner and Howard, of Albert College; instrumental solo by Misses Gardner and Howard, of Albert College; recitations by Misses Gardner and Howard, of Albert College; recitations by Misses Gardner and Howard, of Albert College.

Short addresses were given by Dr. Goldsmith, W. H. Gordon and Rev. J. Ferguson. The evening was one of rare enjoyment.

Rolling Mills Docks.

Under the supervision of Mr. W. W. Lee, of this City, during the past few days soundings have been made upon the shore, in front of the cricket field, to ascertain the depth of water, for the purpose of docks in connection with the rolling mills. It will, owing to shallow water, be necessary to build them out at a considerable distance from the shore. A roadway will be built out and rails laid for the running out of hand-cars to and from the mills.

GOES TO A LARGER FIELD.

Professor W. H. Dingle Has Accepted the Choir Leadership of a Montreal Church.

Prof. W. H. Dingle, organist and choir-leader of Bridge st. Church, and Musical Director of Albert College, has resigned those positions, and on April 1st he will enter upon the important duties of organist and choir-leader of Douglas Methodist Church, Montreal.

Prof. Dingle came to this city from Winnipeg five years ago, to organize the musical department of Albert College, and so successful has he been that his name has become a very familiar one to musicians throughout the Dominion. The high position taken by his pupils in different parts of Canada is proof of his ability as a teacher.

The choir of Bridge st. Church, admittedly one of the best in the city, owes its efficiency to the efforts of its leader, and his tact and skill in the selection and arrangement of the voices. But above all the charming personality of Prof. Dingle has endeared him, not only to his pupils, but to all who knew him, and the deepest regret will be felt at his departure, a regret, however, tempered by the thought that he is going to a larger field, where his talents will have greater scope, and where he is undoubtedly destined to make his impress upon the musical life of our Dominion.

No musical gathering of any importance was complete without Prof. Dingle. His refining influence has been apparent in every event with which he has been connected, and lovers of melody who have listened with delight to his exquisite interpretation of the works of all the great masters, from Handel down to Saint-Saens, will learn with deep regret that he is to leave us. Long after Prof. Dingle has faded from memory, his delightful recitals will linger in our thoughts, for who among the local congenial could ever equal him in grasping the spirit of a song or selection when was accompanied? Who cannot recall Mr. Dingle's touch when accompanying some ballad—bright, fresh and sensuous as the breath of a spring morning; and some sorrowful and touching, as the fire of a song of Valhalla. Mr. Dingle's departure will leave a blank in our musical circles which it will be hard to fill. Doubtless our lovers of music will tender him some mark of appreciation before his departure.

SIDNEY PASTOR

Turns Poet.

Rev. J. W. Wilkinson, of Frankford, Writes a Timely Song.

The Rev. J. W. Wilkinson, of Frankford, Ont., has secured a set to music a new song, which is intended to help in saving St. James' Methodist church. Bro. Wilkinson has chosen as the theme of the song a subject in which the Methodist people are deeply interested. The Rev. Dr. Carman, General Superintendent writes of it: "The situation is taken hold of by the writer of the poem, the sentiment strong and inspiring. It is gratifying that someone is interested enough in the matter to sing strong, brave verse."

The Rev. Dr. Withrow says: "I have read with much interest the poem; it is ingenious and loyal to Methodism, and inspiring. I think that by its considerable interest could be awakened."

We sincerely hope that the song, which is a song of praise, will result in much lighter burden which St. James' yet bears.

What Is It?

Catarrh is a liquid, fragrant and cleansing, which rapidly volatilizes when inhaled. What is it for? It is an absolute remedy for catarrh of the nose, throat or nasal passages. Is this true? We are sure it is. It will cure you of catarrh, send you, prepared, a free sample of Catarrh, and an inhaler if you send your address to N. C. Polson & Co., Kingston, Ont.

Military Notes.

The Sergeant's Mess of the XV. Battalion will hold a smoking concert this evening.

Lieut. McKay, of the 40th Battalion, in attendance at the Provisional School, is ill with la grippe.

The attendance and interest in the Provisional School continues to increase.

Last evening Capt. McDonald, instructor of the Provisional School, gave a lecture on "Duty." The theme of the lecture was "The conduct of officers, and Sergeants' mess, ranks and appointments." Both lectures were well attended and the instructions imparted will no doubt prove to be of much value to the rank and file.

Capt. McDonald left to-day for Prescott, where he will superintend the opening of another Provisional School.

Henry Hudson's Funeral.

The funeral of the late Henry Hudson, who died at Chatham, took place this morning at 10 o'clock, at the residence of his brother, Mr. W. P. Hudson, ex-M.P.P., Bridge st. West. There was a large attendance, among whom were a number of our prominent citizens. Services were conducted by Rev. M. W. Macdonald, of St. Andrew's Church. The interment took place at Rolin, the former home of the deceased.

Bethel Hall was packed to the doors last evening to see the lantern views and hear Mr. Chas. A. Swan tell of the work among the natives there. He will show thirty more pictures to-night, commencing at 8 o'clock. Seats are all free and there will be no collection.

CIVIC COMMITTEES.

Brief and Unimportant Sessions Last Evening.

The various Civic Committees, with the exception of the Executive, met last night with the following members present: Aldermen Jones, Starling, Panter, Robinson, Doyle and Taylor.

THE TENDERS FOR COAL.

Ald. Panter presided over the meeting of the Market and City Property Committee.

A communication was read from C. O. Leavens, stating that he had tendered in Oct. 1898, to supply the City with Scranton coal at \$5.25. He understood that the City were buying from another dealer at \$5.50. He wished to know why.

Ald. Robinson thought some satisfactory explanation should be given.

Ald. Panter said when he took his U. S. citizenship, officials came to him and asked for coal and he gave them an order on the firm they had previously been buying from.

Ald. Jones said the same as regards his Committee. It was not worth while to go into the matter this evening, only about three more tons would be required.

Ald. Taylor thought the reason for buying the coal from a higher tender was a difference in quality.

Ald. Robinson finally moved that the Chairman of each Committee buy the coal required wherever he could get it the cheapest, and that the City should not be asked to pay more than the market price.

Ald. Starling moved in amendment that they buy the coal whenever they could to best advantage.

The amendment was lost, only Ald. Starling voting for it.

Ald. Robinson's motion carried, Ald. Robinson, Taylor and Jones voting yes.

INSURANCE POLICY.

Ex-Ald. Ashley wrote stating that a policy for \$4000 insurance on City buildings in Hand and Hand Company would soon expire. As that company had no agent here, he asked that the policy be given to him.

City Clerk Robertson remarked that he had no more right to the insurance than any other agent, to which Mr. Robertson assented, declaring that all he asked was fair treatment.

Ex-Ald. Ashley, who was present, explained that he did not know the Clerk represented the company.

Ald. Starling thought the matter should be referred to the Executive.

Ald. Robinson thought different, but was overruled by the Chairman, and to the Executive it went.

MR. COBY'S ELEVATOR.

Ald. Panter stated that he had been informed by Mr. Coby that the G.T.R. had decided to do anything as to transshipping grain here. He intended to spend \$10,000 or \$20,000 in enlarging the elevator and would like to know the sentiment was favorable to the scheme. He would have a proposition to make to the Council Monday night.

Ald. Robinson—Certainly, no one will object if he wants to spend \$10,000 or \$20,000.

Ald. Panter stated that nothing had yet been done as to the rent due by Mr. Cole.

PUBLIC WORKS.

In the absence through illness of Ald. Hanley, Ald. Panter was moved to the chair.

A pay-list amounting to \$29.55 was passed.

FIRE, WATER AND LIGHT.

Ald. Jones presided. The following accounts were passed:

John Halp, \$12.55; J. S. McKeown, \$4.00; Jas. Zebedes, \$27.00.

The matter of making a contract for lighting the street coal oil lamps was brought up. The contract for 1895 has not since been renewed.

Ald. Starling moved that a new contract be made at \$9 per light.

Ald. Robinson, after making an unsuccessful attempt at adding to the burden of our overworked officials, moved that the vote be given over.

The vote was a tie, Starling, Jones and Panter against Robinson, Taylor and Doyle, as the matter dropped for the present.

New Spring Hats, \$1 00.

A dollar isn't much to pay for a good hat, and when they're better than good you strike a bargain. We are showing all the new shapes and shades in Christy's celebrated English Hats at one dollar each.—Quick & Robertson.

A Very Happy Event.

Mr. Hunter's home, Limestone villa, Harrowsmith, on Friday evening, February 3rd, was the scene of one of the brightest events of the winter, being her son Percy's twenty-first birthday. A sumptuous repast was served to the guests, the table being beautifully arranged. The centre-piece was an immense birthday cake, artistically decorated with candles, twenty-one in all. At each guest's place was a unique battle-horn bouquet. The hostess and a number of the guests contributed to the musicale which followed, and the evening was most enjoyable. During the evening refreshments were served, Mrs. Hunter leading in her usual charming manner. About twenty-five young people from Belleville, Glenora, Wilton, Sydenham and Harrowsmith were present.

Bridge st. Church To-night.

There is every promise of a grand entertainment at Bridge st. Church to-night. Miss Ethel, of Wilton, and Miss W. Graham Hodgson arrived from the west on the noon train and are said to be in good trim. Mrs. James Grant and the young ladies who have so kindly consented to assist have been working grandly and a rich treat is in store.

New Wrappers.

We are showing some very pretty styles in new PRINT WRAPPERS. These are all made from fine English and American Prints, new patterns, and washing colors. It wouldn't pay you to buy the materials and pay for making them when you can get them ready to wear at such moderate prices, and such perfect fitting. They are in light and dark colorings and the prices range from 75c to \$2.00 each. See them in the Mantle department.

Our Silk Sale.

We will continue the sale of Fancy Silks until Saturday night. We have added another lot to sell at 25c A YARD.

New Prints.

Some very pretty styles showing in "Crum's" English Prints. These goods are all guaranteed fast washing colors. Plaids, checks, stripes, and floral designs in the new colorings.

New Embroideries.

Over four thousand yards of very pretty new Embroideries, imported direct from Switzerland. We think these the best values we have ever shown. Some remarkably attractive patterns on fine cloth from 10c to 20c a yard, and finer ones up to \$2.00 a yard.

All goods marked in plain figures and money cheerfully refunded if goods are not satisfactory.

Your Cross.

Seek not to drop the cross you wear. Or lay it down; for if you do Another shall be built for you More difficult and hard to bear.

The cross is always made to fit. The back which bears it. Be content; Accept the burden which was sent And strive to make the best of it.

Think not how heavy is your load; Think not how rough the road or long; Look up and say, "Lord, I am strong. And love makes beautiful the road."

Who tells in faith and knows not fear Shall live to find his cross some day Supported all along the way. By angels who are waiting near.

CIVIC AFFAIRS DISCUSSED.

The Executive Take Action
Upon Several Matters
of Importance.

Leaven's Tender for Coal Accepted—
Mr. Campbell Gets the Accident
Insurance—Will We Purchase a
Steam Road Roller—A Deputation
for Toronto—Mitchell Gets \$2,000.

The meeting of the Executive Committee of the City Council, held last evening, was one of considerable importance, and a large amount of business was transacted. The members present were: Mayor John A. Doyle, Messrs. Hangerford, Robinson, Bogan, Porter, Starling, Doyle, La Roche, Ald. Doyle, Chairman of the Committee, occupied the chair.

REPORT OF THE MARKET AND CITY PROPERTY COMMITTEE, re tender for coal, was brought forward and discussed at considerable length. The Mayor objected to the Chairman of the Committee being empowered to purchase coal without tenders being asked for.

Ald. Starling moved that the tender of Mr. C. O. Leaven for pure Scranton coal at \$5.25 per ton be accepted for the balance of this winter.

A communication was read from Mr. E. McHugh, agent of the Ocean Accident and Guarantee Assurance Company, in reference to the City insuring with them on a proposed new basis.

A communication was read from Mr. W. H. Campbell re accident insurance. The Company has represented as the Ontario Accident Company.

Both of these agents being present, on motion they were heard.

Mr. Campbell said his company had conceded everything the City asked for, the policy being complete. The company was willing to take the same amount as that which had been proposed by the Ocean Accident and Guarantee Company.

Mr. E. McHugh, agent of the Ocean Accident and Guarantee Company, said since he had received the communication from the City Clerk as to the action of the Council, he had been in communication with the head office and had now a policy which he thought would be entirely satisfactory to the Council.

In answer to an enquiry the City Solicitor said the two policies were virtually the same.

The Mayor asked Mr. McHugh why the company had not given this policy in the first place.

Mr. McHugh said that new forms had been made out and that was what the City had received at first.

Ald. Robinson was in favor of Mr. McHugh's policy being accepted.

The City Solicitor said that the company had given no receipt and the City at present was not insured.

Ald. Starling said that a motion carried at the last meeting of the Council canceling the insurance of the Ocean Accident and Guarantee Company. They came back with a new policy. That was not business.

Ald. Bogan said the Ocean Accident and Guarantee Company had at first virtually given no insurance. They were now willing to meet the City when another company was prepared to give good insurance.

He moved that the application for the Ocean Accident and Guarantee Company be accepted and accepted.

The Mayor was of the opinion that the Ocean Accident and Guarantee Company had not acted in bad faith. Mr. McHugh had been told he could for the City in the matter. Both policies being the same they were free to vote as they desired.

Ald. Hangerford asked if the Council had passed a resolution to insure.

The Mayor said that a motion passed, but no company was mentioned.

After some further discussion Ald. Bogan's motion was carried.

Mr. Dewey, representing the Buffalo-Pitts Buffalo Company, of Buffalo, addressed the Committee at some length, endeavoring to impress upon them the necessity of purchasing a steam roller for the purpose of making good roads.

The roller that sold for \$3,300 last year could be purchased for less money this year. He would give no price, but asked for some encouragement to come before the Council with a proposition.

Ald. Robinson wanted Mr. Dewey to give the best price he could for a roller.

Ald. Starling said it would not be fair to ask for a price until such time as the Council decided to purchase a roller.

After considerable discussion, pro and con, Ald. Doyle gave Mr. Dewey the assurance that his application would be considered.

M. LOUBET PRESIDENT.

The President of the Senate
Succeeds M. Felix Faure.

No Fear Now of a Revolution—Sketch of the President-Elect.

Paris, Feb. 18.—It is announced officially that M. Emile Loubet has been elected President of the French Republic. There is no sign of a coup d'etat, and the belief in the stability of the Republic is general.

Mr. Loubet, the President-elect, was born in 1833 at Marsanne, Drome, and adopted law as a profession. He entered the Chamber of Deputies in 1876, and took a strong stand against the religious orders, but in favor of the continued connection of the Church and State. He was elected to the Senate in 1885, and was Minister of Public Works under Tirard in 1887. In the early part of 1892 the relations between the Clerical party and the Republicans were strained to breaking point, and after the fall of the Freppel Cabinet, because of his hostility to the church, M. Loubet was called on to form a Government which would signify a truce in the religious conflict. This he did successfully, but social troubles followed fast upon the heels of religious disputes.

WELL-KNOWN LADY DEAD.

Mrs. Henry Parliament Dies of Cancer.

The wife of Mr. Henry Jacob Parliament died shortly before 7 o'clock this morning, at the Hastings House in this city. The deceased whose maiden name was Glenn, was a daughter of the late David Glenn of Ameliasburg. She was a member of a family who are well known in the township of Ameliasburg nearly 60 years ago and resided there until some 27 years ago when she married Mr. Parliament. Since that time they have resided in various places. For the last 10 years, Colborne was their home for the greater portion of the year. During this winter they had apartments at the Hastings House. In June last, Mrs. Parliament was operated upon for cancer of the stomach, since which time she has been failing in health. In religion she has been for a number of years a devoted member of the Methodist church. In addition to her husband an adopted daughter is left to mourn the loss of one whom to know was to esteem. The remains will be taken to Mountain View Church to-morrow afternoon, where a service will be held and the interment take place.

ENJOYABLE SMOKING CONCERT.

A Pleasant Evening With the Sergeants' Mess.

The Sergeants' Mess of the XV. Battalion have for some days past been making preparation for the holding of their second smoking concert. It took place last night and proved to be a most delightful function. The spacious quarters occupied by the sergeants in the drill shed were utilized, and are in every way adapted for the comfort and convenience of a large gathering. Upon this occasion they were filled by the members and invited guests, the latter of whom included a number of officers of the 49th Batt. and officers and men of other regiments who are in attendance at the Provisional School. Nothing that would promote the happiness of the guests was overlooked. During the evening, at intervals, an excellent programme was rendered, consisting of patriotic addresses by Lt.-Col. Ponton, Commander of the XV. Batt., and Sgt. Major Aris, who was chairman of the gathering; songs by Sgt. Major Bland, 49th Batt.; Sgt. Rattan, 49th Batt.; Sgt. Benson, Sgt. Coy and Sgt. Sharp, of the XV. Batt.; Pres. A. Wheeler and W. Fairman, Capt. McGinnis, Sgt. Howe and Private C. Dougal, gave readings; and shorter and appropriate addresses were given by Sgt. Major Sater, of the 49th Batt. and Lieut. Wright, of the 16th Batt. A fencing contest between Sgt. Benson, Sgt. Coy and Sgt. Sharp, of the XV. Batt., and Sgt. Wheeler and W. Fairman, Capt. McGinnis, Sgt. Howe and Private C. Dougal, gave readings; and shorter and appropriate addresses were given by Sgt. Major Sater, of the 49th Batt. and Lieut. Wright, of the 16th Batt. BIG BLAZE AT ALMONT.
Firemen's Warehouse of Mr. John
Donaldson Completely Destroyed.

Almont, Ont., Feb. 20.—At 8.00 p.m.
Saturday the fire alarm sounded for a
fire which originated in a three-story
frame building owned by Thomas White,
and occupied by John Donaldson as a
firemen's warehouse. The building was
entirely destroyed, which was filled from
floor to garret with furniture, mattresses
and bedding. The building and stock are
estimated to be worth \$10,000. Donaldson's
loss on stock \$5,000, insured for \$5,000 in the
Farm Mutual. The plate glass windows
to the store across the street and nearly
every window in the position on the
west side were destroyed by the intense
heat.

Fatally Injured.
Winnipeg, Feb. 20.—James R. McDon-
ald was fatally injured on Saturday
night, being struck by an electric
car while crossing Main street.

M. LOUBET'S PRESIDENT.
His Only Opponent Was M.
Meline, Who Withdrew.

A Ballot, However, Was Taken, Which
Gave M. Loubet 483 Votes, as Against
274 for M. Meline and 50 Scattering.

League of Patriots Make Trouble.
The President of the Republic, who is
a Lawyer.

Paris, Feb. 20.—M. Loubet, president
of the Senate and presiding officer,
arrived at Versailles in a carriage at
10 o'clock a.m. on Saturday. Friends
surrounded him when he entered the gallery
of the Senate, and he said: "I hope you
will vote for me."

The National Assembly met at 1
o'clock. M. Loubet declared the sitting
open and the applause of the Leftists,
during which M. Loubet proceeded to
draw for the ballot.

The voting began with the letter "D."
M. Danstet, moderate Republican, cast
the first ballot.

Patriots Make Trouble.
When M. Paul Drouot, organizer of
the League of Patriots, voted,
he shouted to speak from the tribune, but
M. Loubet forbade him to do so. This
caused great protest from the Rightists
and applause from the Leftists.

M. Drouot, however, persisted in
speaking and resisted the officers and
others who rushed up to expel him from
the tribune, which he finally left. While
in the tribune, M. Drouot shouted:
"The President of the Republic ought
to be elected by the people. I will not
vote here."

M. Drouot, anti-Semite, also at-
tempted to speak and a great commotion
followed, during which cries of "Down
with anarchy!" were raised.

The Ballot Completed.
In the meantime the voting continued,
until at 2:40 p.m. the ballot was com-
pleted. While the checking was in pro-
gress the members of the assembly left
the hall and assembled in the galleries
and corridors, where they discussed the
chances of the election.

M. Loubet, however, announced that he
had voted for M. Loubet.
The Progressives insisted on voting for
M. Meline, although he had withdrawn
his candidature in favor of M. Loubet,
which explains the vote cast for him.
The votes not given to M. Loubet, or M.
Meline were divided between M. Cavaignac,
General Sausser and others. M.
Meline received an ovation when he
left.

The official count showed that 512
votes were cast and that M. Loubet re-
ceived 483, M. Meline 274 and that 50
were scattered.

Congratulations.
After the announcement of the result
M. Loubet received his friends in an ad-
joining salon, and he was tendered their
congratulations. The Premier, M.
Dupuy, then formally transferred the
executive power to M. Loubet, and con-
gratulated him upon his election.

The President, in thanking M. Dupuy
expressed the hope of having the support
of the Cabinet, and he asked M. Dupuy
to retain the Premiership and the present
Cabinet.

After the Senators and Deputies had
shaken hands with the President, accom-
panied by M. Dupuy, he left the Palace
in a carriage, and by 5 o'clock Versailles
had resumed its normal aspect. President
Loubet arrived back here from Versailles
at 5:08 p.m. and was received with mili-
tary honors.

Career of President Loubet.
Emile Loubet, who until his election to
the Presidency was the president of the
French Senate, was born at Mawons on
the 31st of December, 1838, was educated
for the bar, and began his practice at
Montpellier. He entered political life in
the general election of 1876, when he
professed himself a Republican, and op-
posed to general and complete amnesty.
He was elected by a great majority, and
in 1881 was elected to the Senate. He
was one of the Deputies who refused a vote
of confidence to the late Premier Meline
in 1877. After having been twice re-elected
to the Assembly, he became a candidate
for the Senate, his old department,
and was elected in 1885. He became a
member of the first Tripart Ministry,
which only survived for three months,
holding the position of Minister of Pub-
lic Works. When M. de Freycinet de-
clared to undertake the presidency of
the Council, he was intrusted with the
construction of the Ministry, and took
the position of Minister of the Interior,
from which M. Constans had retired in
1886.

RIOTING IN PARIS.
President Loubet's Election Received in
Paris With Violent Demonstrations.

As this dispatch was sent on Saturday
evening and Loubet's demonstrations were
commencing in the streets, and cries of
"Down with the President!" were
heard. The agitation was caused by
M. Drouot, and the Nationalists gathered
about the statue of Joan of Arc, and M. De-
roulede made a very address to them. While
M. Loubet was in the tribune, the tri-
color flag aloft M. Drouot, the latter har-
ranged the crowd. He said: "Listen, now,
to what I have to say to you. You are
not here to elect a President, you are here
to elect a man who will be the enemy of
the people and the enemy of the Republic."

The Central Brigade, 8,000 strong, is
on special duty, and the troops are being
drawn up in the barracks, but bands of
brawlers are, however, suffered to march
through the city and to make a display
of their arms. The President, however,
with Loubet and his wife, and a band of
singing and dancing women.

His words are: "I believe, as the correspondent
of the Daily Mail describes the scene at
the Versailles election as a 'Lobby Break-
Fast' with a touch of tragedy therein, I
trust that the President will be able to
choose his representatives to ignore his
own popularity and amply returning
thanks for congratulations."

One Hundred Arrested.
Paris, Feb. 20.—Altogether 100 arrests
have been made in connection with the
demonstrations.

The very sign of a campaign
which drove M. Casimir-Perier to re-
sign. Clearly, L. Patris Francis was
leaving no stone unturned to achieve the
object, his chief ground of objection be-
ing that the President was a Dreyfusard.

**Civic Legislators Talk Over
Many Matters.**

Mr. Corby's Request Granted—Rolling
Mills Site Settled—Waterworks
Purchase Left Over—Jones Sits
on Robinson.

The Council proceedings last night were
both of an interesting and important nature.
A number of matters appertaining to the
City's interest were discussed and passed.
Although the discussion at times was
somewhat animated the feeling prevailed of
the importance of the matters under
discussion was justified cause for the
discussion extended to a somewhat later
hour than usual. The only absence was
Ald. Hanley, whose absence was owing to
illness.

Those present were: His Worship, Mayor
Johnston, Ald. Jones, Doyle, Pantor,
Robinson, Humberford, Starling, Bogart, La-
Roche, Taylor.

The substance of the previous meeting
was read and confirmed.

COMMUNICATIONS, ETC.
From Mr. C. H. Rust and Mr. P. W. St.
George re valuation of the Water Works
plant. The City Clerk received the follow-
ing communication from Mr. Rust, in which
Mr. St. George concurred:

"Dear Sir:—Replying to yours of the 4th
inst., no allowance was made for the
services and meters appertaining attached
to your letter. We were not furnished
with the necessary data to enable us to
state previous to making our award."

From the West Hastings Agricultural
Society, stating that as the place for hold-
ing the Fat Stock Show had not been de-
cided, they asked the cooperation of the Coun-
cil to assist in procuring the same. The So-
ciety were prepared to meet the City half
way in regard to the expenses in holding
the Fair.

From Mr. H. Corby, M.P., stating his in-
terview with Mr. Brown of the C. & N. R.
elevator and the shipment of grain over the
Midland route, which had already been
made public. His proposition is to enlarge
the elevator he purchased from the city to
a capacity of 200,000 bushels.

A communication was read from Mr. S.
Mason, City Solicitor, stating that it
would be advisable to comply with Mr. Cor-
by's request in regard to right of way.

A communication was read from the
Street Surveyor, stating that some action
would have to be taken immediately in
reference to the overflow of water from the
stand pipe on the street.

A communication was read from ex-Ald.
Hoy, calling attention to the state of the
street and drainage in the vicinity of his
property, which was unsatisfactory, and
asking the City to take action thereon.

From Geo. A. Brown, of the Richelieu and
Ontario Navigation Company, offering the
City a space in their canal for a guide for
\$30.

THE REPORTS OF THE FIRE, WATER AND
LIGHT AND THE EXECUTIVE COMMITTEES, as already
published, were read.

On motion the Council went into Com-
mittee of the Whole on Reports, Ald. Jones
in the chair.

The various items in the Executive Com-
mittee's report were adopted without dis-
cussion. The Committee were authorized to
give \$2,000 to the Rolling Mills Company for
the purchase of the site was reached.

Ald. Doyle moved in amendment that
Mr. Mayor, Chairman of the Committee, City
Properties and Executive Committee to
look after the purchase of the site for the
mills, with power to order the purchase
money to be paid over to Col. Ponton when
all conditions of said purchase are fulfilled
in accordance with the By-law.

Ald. Doyle said he did not wish to delay
the work, but it should be done in a busi-
nesslike manner, and the Committee man-
aged to do it in the matter. It was a ques-
tion of money, but it could be done. He
thought Mr. Ponton should give the City an
option on the property.

The Mayor said Ald. Doyle's motion was
at once in case there should be a hitch, but
he did not anticipate any. There was no
reason to feel suspicious in the matter. He
did not feel justified in any way of delaying
the matter, as Mr. Abbott and Mr. Mitchell
were in the City and were prepared to pro-
ceed in the matter.

Ald. Robinson said if the land should be
sold to the City the City would be at once
at the disposal of the land. He thought it
would be better to give the City an option
on the land in question.

Ald. Humberford said that Ald. Doyle was
not a contented man, and he was not a
contented man. He was a contented man.
He was a contented man. He was a contented
man. He was a contented man. He was a
contented man. He was a contented man.

Ald. Doyle said that he was not a contented
man. He was a contented man. He was a
contented man. He was a contented man.

Ald. Starling said the amendment propo-
sed by his opponent was a farce. He was
not a contented man. He was a contented
man. He was a contented man. He was a
contented man. He was a contented man.

Ald. Doyle thought his amendment was
only right.

The Mayor said it was Ald. Doyle's duty
to sign the cheque, as he was Chairman of
the Finance Committee. He was a contented
man. He was a contented man. He was a
contented man. He was a contented man.

Ald. Humberford moved that Mr. Corby
be granted exemption of taxation for the
period of 10 years upon improvements made.

Recalls the Delicious
Teas of 30 Years Ago.

Breakfast and Dining Teas,

Lancashire and Yorkshire tea
plantations, and which we are
now offering at the low price of
25c per lb.—Bristol and more.

and the assessment remain the same as
previously at the price he paid the City for the
property.

The Mayor believed that the purchase of
Mr. Corby's property was a concession
on improvements. He is willing to pay
taxes on the amount he has paid the City for
the elevator. His Worship considered it a
pleasure to be able to vote for Mr. Corby's
proposal.

The motion of Ald. Humberford was
unanimously adopted.

The communication re Fat Stock Show
was taken up.

The Mayor was of the opinion that we
should assist in securing the Show. The
Agricultural Society showed that its mem-
bers were public spirited men and were
desirous of assisting in getting the Show
held.

Ald. Robinson was willing to assist the
show if it did not cost too much.

Ald. Starling said that Mr. Hurley, M.P.,

KOOTENAY CURE WILL SAVE YOU

This Time "La Grippe" Intensified the
Discomfort—Ask the Lady Herself
What Kootenay Did for Her.

S. S. Ryckman, M.P.

Dear Sir, I cannot find words to express
to you my gratitude for the service you
Kootenay Cure has done for me. I have
been treated by the best physicians in Ottawa
for Rheumatism, but they told me that my
case was so complicated, my trouble having
relieved from La Grippe, that they could
do nothing for me. I was told that my
trouble could only be temporary.
Just at this time I heard of your remedy,
I determined to try one more and began
to take your medicine, and in my case,
physically speaking, odd things have passed
away and all things have become new. I
can go anywhere unaided. My nerves are
as strong as ever they were in my life, and
no change in the atmosphere has any effect
on me now. I cannot thank you enough,
but write this so that some other sufferer
may read it and seek relief. You can refer
any person to me at my residence, 190
Albert Street, Ottawa, and I shall be only
too happy to give them any information in
my power.

Yours faithfully,
MRS. THOMAS A. PRIER,
190 Albert St., Ottawa.

A NOBLE WORK.

What is Being Done for the
Unfortunate at the City
Mission.

A Splendid Record of Distress Relieved
and Souls Won.

The eighteenth annual meeting of the Belleville City Mission to commemorate the establishment of this good work, inaugurated by the late Rev. Mr. Schuster, and since his death successfully carried forward by Mrs. Schuster, was held last night in the early part of the evening the children of the Sabbath School, their parents and friends to the number of nearly 200, were provided with an excellent supper, which is needless to say was thoroughly enjoyed. The after meeting held in the auditorium of the building was largely attended. Mr. A. G. Northrup presided and opened the proceedings with devotional exercises. The children in connection with the mission furnished a brief program which was thoroughly enjoyable, consisting of songs by John Bly, Anson Deane, Wm. Amott, Lena Deane, Fred Bly, recitation by Nellie Deane, dialogue by the boys of Mrs. Foster's class, and the recitation of the golden text of the Sunday school lessons by Ethel Irwin. Short, but appropriate addresses were given by the chairman, Rev. C. W. Watch, Mr. C. Clapp and Mr. W. W. Chown, all of whom spoke in a eulogistic manner of the noble and good work which Mrs. Schuster was accomplishing. Mr. Northrup took occasion to refute a rumor which he said had been circulated that Mrs. Schuster was using the money raised in connection with the Mission for her own purpose. All money contributed to this worthy object was used for the carrying on of the work.

From the annual report, we gather that \$241.05 was contributed during the past year and was expended in various ways. From the report we make the following extracts which show how the work is progressing:

SUNDAY SERVICES.
Meetings are held in the morning from 11 to 12 o'clock. Albert College students and other being the leaders. The evangelistic meetings commencing at 7 o'clock p.m. have been well sustained, and have been owned by God in the conversion of sinners, and building up and strengthening of the children. Leaders, Messrs Northrup, Chown, Richardson and Elving. The Secretary of the Y.M.C.A. and the students of Albert College have taken the fourth Sunday since Mr. N. McArthur left the city. The evangelistic services conducted by Mr. A. W. Vernier for four weeks resulted in much good being accomplished.

THE KINDERGARTEN.
The Kindergarten in connection with the Mission has proved to be a valuable acquisition, and is well attended. The children show a marked degree of interest in the work and have proved to be apt scholars.

THE SABBATH SCHOOL.
We have 13 teachers and about 95 or 100 regular scholars who are members of the school. The average attendance during the year has been 11 teachers and 72 scholars, which, we think, shows that there is a loyalty to the school on behalf of the teachers and scholars, which is certainly very commendable. Mr. C. Clapp is Superintendent, and he is assisted by the following faithful and devoted teachers: Mrs. Schuster, Mrs. Graham, Miss Stratten, Mrs. Webster, Miss Reeves, Miss Madden, Mrs. Crosby, Mrs. Brown, Mrs. Clapp, Miss Foster, Miss Peck, Miss Hill.

OUR KITCHEN.
Thanks to the friends who, as in the past, think of the poor and needy, this part of the Lord's work has been carried on to the great comfort and help of families in need. The average attendance has been about 200. Mr. Wm. Deacon, one of our helpers, has always been ready to render help when needed. We are very grateful to Mr. Deacon for his taking charge of the Soup Kitchen.

The concluding portion of the report refers to the assistance cheerfully given by the Ministers of the City who have helped at the Thursday evening meetings, the students of Albert College on Sunday mornings, the Secretary of the Y.M.C.A., and all friends who, from time to time, have, at the great sacrifice to themselves, been ready and willing to assist in this division of the Lord's work.

Gentlemen, Are You Bald?
Don't miss seeing Prof. Dorenwend's famous Art Hair Coverings, demonstrated at the High Quinte, Belleville, Thursday, Feb. 23, with toupees and wigs that are so perfect in construction that when placed in position on any bald head, will defy detection. Over 25,000 gentlemen in every profession in life enjoy the wearing of these art goods today. They are a protection and comfort to the head and beneficial to health. Gentlemen, throw off those old style grandfather's caps you are wearing in your shops, offices and residences and get natural-looking, youthful-looking hair, as invented by Prof. Dorenwend. If you value health, youthful and nice appearance do not stand back, but investigate for yourself, as no charges are made for full illustration. Remember Hotel Quinte. 11-14-92

Beware of It.
Canadian Gazette: A recent examination of Waller's key, Lake Ontario, shows that the key, which makes north from Bald Head is gradually extending across the entrance and has reached the line of range at a point about 8,500 feet from the front lights. In entering, it is therefore necessary to open the lights on the starboard hand, to pass the spit. A further examination of the spit and of Waller's bar will show the investigation of a much fuller notice of the changed conditions will be given.

This is the Way of It.
The glycerine in Scott's Emulsion softens the epidermis, and the hypodermis tones up the nerves. And the cod-liver oil heals and strengthens the inflamed bronchial tubes and air sacs.

BOARD OF HEALTH.

Organization Meetings of this Important Body.

The members composing the Board of Health of the City for the present year met in the City building yesterday afternoon for the purpose of organizing for the year.

Those in attendance were: Mayor Johnson, Messrs. H. B. Cooper, J. A. Moore, C. A. Harte, Dr. Tracy, J. Panter and Officer Morton, Sanitary Inspector.

Mr. C. A. Harte was elected chairman of the Board and Mr. D. B. Robertson, City Clerk, Secretary.

A circular was read from the Provincial Board of Health regarding the outbreak of smallpox in the Province and suggesting compulsory vaccination as the only sure protective measure against this disease.

The members of the Board were of the opinion that an general vaccination took place in the city during 1897 it was not necessary to issue an order for a similar measure to be resorted to.

Dr. Tracy, Medical Health Officer, S. Mission, City Solicitor, and the Secretary of the Board were appointed a committee to consider the best method of milk inspection in the city. They are to report to the Board the least expensive and most efficient system in pursuing this course.

The Board then adjourned to meet at the call of the Chairman.

Nerve Tonic.
After the "Grippe" and other diseases which depress the nervous system, nothing is better to restore the mental and physical powers, than a refreshing glass of, than Ambrecht's Coca Wine. It is recommended by prominent physicians. \$1.00 per bottle, six for \$5.00.—ALEX. HAY.

DIVISIONAL COURT.

Before MEREDITH, C.J., McMAHON, J., Wright v. McCabe.—Judgment on appeal by plaintiff from judgment of Boyd, C., at the trial at Belleville, dismissing without costs an action brought by Elizabeth Wright against her son-in-law, Freeborn McCabe, to recover the costs of maintaining the defendant's infant children.

Wright v. McCabe.—Judgment on appeal by plaintiff from judgment of Boyd, C., at the trial at Belleville, dismissing without costs an action brought by Elizabeth Wright against her son-in-law, Freeborn McCabe, to recover the costs of maintaining the defendant's infant children. The plaintiff's daughter, is dead, and to set aside an agreement made between the plaintiff and the defendant as to the custody and maintenance of the children, upon the ground of misrepresentation and want of proper advice, etc. Held, that even if the agreement between plaintiff and defendant was not binding on her because contrary to public policy, or because of its nature and effect not having been understood by her, nevertheless the defendant parties to the custody of the children and the plaintiff received them upon the distinct understanding that the defendant was to be under no legal liability to the plaintiff for the maintenance of the children, and if the defendant led the plaintiff to believe that there was a moral obligation upon him to provide for his children's maintenance which he intended to fulfill, the breach of that moral obligation could give no right to plaintiff to recover in this action. Appeal dismissed without costs. O.C. for plaintiff, E. Gust Porter (Belleville) for defendant.

You Know Better
New Year's show is not to be found outside of our store. Unless you have seen our stock you have no conception of the assorted varieties in quality, style and make to be found in our spring selections. We are showing a big range at 40c each that will well double the price. We can please you.—QUICK & ROBERTSON.

A Hayseed Party.
A party of young people from "away back" invaded our city last night. A couple of sleepy lags reluctantly drew a creaky wagon with a hayrack on it. In the wagon were squatted a variety of both sexes, their outer covering being a plentiful supply of hay and straw. Being accustomed to visit the market in daytime they wanted to see it by "the moon's pale light," also that being on the market might suggest to the sterner sex that the others were "in the market." They required no Old-fellow. Don't to herald their coming, they were brass, strong and wind band all in one. Their chief amusement seemed to be to throw wisps of straw and hay at each other. They were having a big time and wished all to know it. It struck the passer-by that they were not often let out and so were making most of this one chance.

Christy's Hats.
We have received our new spring stock of Christy's celebrated English Hats. We have them in the following shades at one dollar each: Brown, Tan, Black, Cuba, Pearl, and Havana. Buy your Hat from Quick & Robertson and save money.

A Serious Accident.
Mrs. John Morton, Charles st., met with a painful and serious accident this morning. She arose earlier than usual, and the house being quite dark, she fell down the back stairway. A doctor was hastily summoned, who had to take four stitches in a gash on her forehead. She is still suffering considerable pain, but it is hoped the worst is over.

Shoulder Dislocated.
On Saturday evening as Mr. H. Bull, residing on Moira street, was proceeding from his residence to the barn in rear, he fell and sustained a dislocation to his left shoulder. His left hand was also badly hurt.

Hen Roost Robbed.
Mr. O. Daly, who resides near the G.T.R. station, on Monday night lost a number of valuable fowls. A thief effected an entrance to the roost by drawing a staple.

Oster's Pay.
According to the public accounts of Ontario, B. B. Oster, Q.C., received \$1,400 for his services as Crown Prosecutor at the Napane Bank trial.

Gentlemen's Furnishings.

We are retiring from the Ordered Clothing business and purpose devoting the space heretofore occupied by Cloths and Tweeds to a much larger and higher class, stock of GENTLEMEN'S FURNISHING GOODS of all kinds. This will include a full assortment of Men's and Boys' hard felt, soft felt, and straw HATS, the latest American and English styles.

We will make a specialty of fine English Underwear, Linen Collars and Cuffs, Dress Shirts, Kid Gloves, Neckwear, etc., in exclusive styles confined to ourselves, such goods as can be found only in the largest cities.

In the meantime we are offering the balance of our stock of Tweeds, Trousers, Overcoatings, etc., at DECIDED BARGAINS to clear the stock. We have some very choice styles in SPRING and SUMMER SUITINGS amongst this lot. It will pay you to investigate.

WANT TORONTO CADETS.

Madoc People Ask Them to Join in an Approaching Celebration.

Toronto News: To signalize the recent increase in prosperity due to successful mining operations in North Hastings, the citizens of Madoc, Ont., intend holding a monster demonstration in that town on the Queen's birthday, May 24, next. The best holiday attractions in Canada are being secured for the day. To-day Mr. C. D. Macdonald, secretary of the Celebration Committee, wrote The News stating that steps would immediately be taken looking towards securing a visit from the Toronto Cadets to the town on the above-mentioned date. Madoc promises the Cadets a grand outing if favored with a visit.

Trips to the neighboring gold mining districts, the famous Muskoka country and a lengthy list of sports for valuable prizes, together with a concert, the Cadets contributing to the program, are mentioned as possible incidents of the proposed visit.

Military Notes.
Lieut.-Col. Montanibert, D.O.C., arrived in the city this afternoon, and an evening will make an inspection of the Provisional School.

Lieut.-Col. Fenton has received a copy of the new orders and regulations for the militia force of Canada. It is a rather voluminous work just issued.

The Provisional School continues to increase in numbers and interest, and as a result much benefit will be derived therefrom, not only by the XV. Battalion, but by other Battalions which have representatives in attendance.

Pontons Defence Fund.
A concert was held in the town of Napes last evening, the proceeds of which are to be devoted to the Ponton defence fund. There was an exceedingly large number present, including the prominent residents of the town. A goodly sum was realized for the fund.

BELLEVILLE, ONTARIO, THURSDAY, FEBRUARY 23, 1899.

NO. 249

MR. CORBY AND
THE ELEVATOR.

In another column will be found a communication from H. Corby, Esq., M.P., which every taxpayer should read. It is regrettable that the ill-advised stunt taken by a local contemporary should have the effect of discouraging Mr. Corby in his enterprise, and we trust that he will yet see his way clear to proceed on the lines previously indicated by him. If the City Council fails to pronounce unmistakably and emphatically in favor of the acceptance of his offer, it will be taking the responsibility of blighting an enterprise which promises great and numerous advantages to the City. It is safe to say that on this occasion, as is usually the case, the Ontario voices only the views of its proprietor, and that famous mathematical prodigy and renowned political economist, the Honorable Pingree Robinson, whose sole qualification for a position on our Council Board is the boast, with which he occasionally entertains the aldermen at the committee meetings, that he can weigh out five cents worth of mixed candies without giving one-half a candy over the legal weight. This eminent gentleman may dictate the editorial policy of The Ontario, but he will find it to his cost that when he attacks Mr. Corby he is antagonizing the business element of this City, which has, with reason, the utmost confidence in Mr. Corby's public spirit and reputation for honorable dealing. The first offer made by Mr. Corby was a very favorable one: he to take all the financial risk and the City to give him every encouragement possible. As he points out, the City stands to gain in any event. Our civic legislators will merit universal ridicule for their shortsighted fatuity if they fail to do every endeavor to have Mr. Corby proceed.

As to the value of the franchise, it appears that the Ontario's estimate was only several hundred per cent. too large (not bad for the Ontario), but if the proprietor of that newspaper still thinks the concession so valuable, let him, as a heavy taxpayer, accept the generous offer made by Mr. Corby in his letter, and take over the elevator himself. If we know Mr. Corby, he will probably decline to do anything of the kind, much preferring to have Mr. Corby take all the risk.

Let the taxpayers carefully consider Mr. Corby's statement as to failing to encourage public spirited citizens. Ponder over it carefully, and you will probably understand why Belleville is not a flourishing and prosperous community.

BELLEVILLE MAN INSANE.

The Unfortunate Man is Now in Grand Rapids, Mich.

A telegraphic message was received by the police at a late hour last night from Grand Rapids, Mich., enquiring about a man named G. A. Chamberlain, insurance agent, who, it was alleged, came from Belleville or vicinity, and whom it was feared was insane.

It will be remembered that a Mr. G. S. Chamberlain was a resident of this City for some time and was an agent for the Canada Life Assurance Company, and it is feared that this unfortunate thing refers to him. Mr. C. Schuster, who is a relative of Mr. Chamberlain, wired to the Chief of Police to the case. The weary friends of Mr. Chamberlain in this city will be pained to hear of his condition, should the news be confirmed.

Mr. S. Barrows, in conversation with a representative of The Intelligencer, stated that he did not think it possible that the party referred to was Mr. G. S. Chamberlain, formerly of this City, as on Friday last he received a business letter from him from Winnipeg, which was post-dated to the latter place on the Wednesday previous.

Catarrh and Inhaler are never failing.

Old Man Injured.

Mr. Joseph Green, residing on Benjamin St., was proceeding down street this morning. When near Mr. F.W. Brown's residence he, who was old and feeble, slipped on his head with such force as to render him unconscious. He was taken into Mr. Brown's house and Dr. McKoon was summoned to see him. Subsequently the old gentleman was removed to the hospital. Although no bones were broken he received a severe shaking up.

MR. CORBY WRITES.

He Will Release City From New Agreement if Any Dissatisfaction Exists.

A Dignified Rebuke to an Over-Hasty Contemporary.

To the Editor of THE INTELLIGENCER.

MR. EDITOR,—I noticed an editorial in yesterday's issue of the Ontario ("An Over-hasty Step") reflecting on the action of the City Council in accepting without proper deliberation my offer to water supply for new elevator. In making it, I prefer to release the City entirely from new arrangements, rather than go on and feel that any portion of the citizens should think that I had received any undue advantage. As I have only written the engineer for an estimate for plans and specifications, it is not too late, as I have wired him to do nothing until he hears further. I prefer, therefore, that the Council be called together at once and have the matter settled. Finding opposition of this kind almost before a start has been made, I feel that it is a serious question whether any public-spirited citizen should undertake in any way to try to restore business to this City. Should any other citizen come forward and undertake to do what I have offered, I am prepared personally to furnish him the power, either gas or water, at my option, for ten horse power at my own expense for ten years, and turn over the elevator for the same money that I paid for it.

I remain,
Yours sincerely,
H. CORBY.

Belleville, Feb. 23, 1899.

MR. THOMPSON'S REPLY.

MR. M. M. THOMPSON, Manager of the Water Works Company, this afternoon sent the following letter to the Ontario:

To the Editor of the Daily Ontario.

DEAR SIR,—In your editorial of yesterday my name appears as having given misleading information regarding the cost of power for elevator. My figures were based on actual amount paid for gas for running the Union Elevator for the last two years. I find, on reference to the Gas Company's books, that for the year 1897 the cost was \$10.43, and for 1898 \$20.75.

I find, on enquiry, that the grain landed the last year was between 40,000 and 50,000 bushels at this elevator, and was practically all that the farmers sold in the City.

You state that there are two prices charged for gas, so that if you are correct in your statement regarding gas, I am well within the limit of the cost for water for same services would not exceed \$15.00 to \$20.00 per annum.

Trusting you will give this the same publicity as your editorial.

Yours truly,
M. M. THOMPSON.

BAY BRIDGE TO BE TAXED

The Ameliasburg Authorities Intend to Assess One-Half of It.

The municipal authorities in Ameliasburg are alert and aggressive. Last evening Reeve Anderson informed THE INTELLIGENCER that as Reeve of the Township he had instructed the Assessor to assess one-half of the Bay Bridge and at the proper time the Township will demand payment of the taxes. The Reeve's contention is that the Bridge has now passed entirely into the hands of private individuals and has no right to be exempt. The sequel will be watched with interest.

The Council have also decided to tax telephone and telegraph poles within the limits of the municipality, and, if necessary, to take a test case into the courts, as they believe a previous decision in favor of the companies can be overturned.

A Painful Accident.

Kingston Whist: Capt. W. Bloomfield is confined to his room suffering from the results of a peculiar accident. While performing some work aboard the steamer Hero a nail he attempted to drive rebounded from the board, striking him on the side of the nose and completely piercing that organ. The accident is most painful in character. Capt. Bloomfield's nose is badly swollen and discolored.

UNDER ORANGE AUSPICES.

Funeral of the late Rev. John Halliwell at Stirling.

The funeral of the late Rev. John Halliwell, who died on the 20th inst., and who at the time of his death was a Past-Grand of the Grand Orange Lodge of the Council of Orange-men of the World, took place in Stirling on the 23rd inst. under the auspices of the Orange County Lodge of Central Hastings.

The funeral cortege formed at the late residence of the deceased at eleven a.m., the bearers being the four sons, viz., John, Willie, Wm. E., and James, and owing to Edward being in Mexico he was represented by his cousin Charles E. Halliwell, and proceeded to St. John's Church where the beautiful service for the dead of the Church of England was conducted by Rev. Mr. Spenser, the Rector of the Parish.

Mr. Harris, of Marmora, delivered an appropriate memorial address, reminding his hearers of the Christian and patriotic nature of the deceased's character.

The members of the Orange Society attended in large numbers from all parts of the County, as well as representatives from a distance, forming a procession preceding the hearse to the cemetery about a quarter of a mile long.

At the cemetery the burial ceremony of the Orange Lodge was performed by Rev. Mr. Mackenzie, P.G.M. & S., of Belleville, and R.W. Bro. Wm. Johnson, P.G.M. O.E., acting as Grand Master and Grand Chaplain respectively.

Among the prominent members of the Order who noticed Brothers Sir M. Howell, Past President of the Triennial Council, Wm. P. G. M. O.E., Grand Master; Robert Gordon, Grand Treasurer; F. M. Clarke, Grand Secretary of the Grand Orange Lodge of Ontario East; Thomas Dalton, Deputy Grand Master of the Grand Orange Lodge of E. O. J. C. McConnell, County Master; D. T. Rutledge, County Master; James Haggerty, P. G. M.; J. R. Orr, P. G. M.; H. M. Blair, D. O. M.; Alex. Harvey, County Chaplain; W. S. Martin, County Treas.; James Caskie, P. G. Sec'y; W. C. Rod Co. Treas.; Thos. Kelly, Jesse Barlow, James Gay, Forbes Sherry, John Tanner, P. G. M.; A. Reid, L. Holland, G. W. McPherson, Thos. McPherson, D.M., J. A. Fort, D. M., and others.

After the service at the grave the brethren returned to the lodge room and closed in due form after a few appropriate remarks by Bro. Sir Mackenzie, P.G.M. & S.

The floral tributes were numerous, and indicated the fond remembrance of many friends, among which was a beautiful pillow from the Grand Orange Lodge of Ontario East.

The following tribute paid by his family is the highest we can render: "He was a true friend, a true husband, a true father, the kindest father, and the most faithful and unselfish friend."

TRACED TO BELLEVILLE.

A Suspected Mail Thief Run Down at Cornwall.

He was Traced to Toronto, Then to Belleville and Finally to Cornwall.

A despatch from Cornwall dated yesterday says:

Samuel Derry, of Campbellville, Halton County, Ont., was arrested here last night upon a warrant issued by the Post Office Inspector, Toronto, charged with stealing a mail bag at Campbellville on January 12th last. Derry, who was stopping at the Palmer House, Toronto, then proceeded to the robbery, left shortly after midnight.

The mail bag is placed on a hook or arm, so that the mail clerks may catch it while the train, which does not stop at the station, is in progress. The bag was missed, and Derry was suspected. He was traced from the Palmer House, Toronto, then to Belleville, then to Cornwall. Inspector Burnham came to Cornwall when word that his man was here, and had an interview with Derry, but could not get sufficient information to justify his arrest at the time.

He was allowed to go and his movements were watched by the police, and he was arrested last night by Dominion Police Constable Chamberlain. It is said by Chamberlain that Derry is an old bird, and was the culprit in Kingston post office robbery three years for robbery at Woodstock some years ago. Derry admitted his having seen the bag, which contained about \$250 in registered letters, on the track, and claims he threw it on the platform. When he was searched \$125 was found on him. Derry claims he worked on the N. Y. and O. bridge here last fall, and in this way accounts for the money found on him. Inspector Henderson and Dominion Police Constable Chamberlain left with their man for Milton, Ont., last night.

CHAMBERS, NOT CHAMBERLAIN.

The Man Insane in Michigan is Probably a Thurlow Farmer.

Chief Newton received a second telegram from Grand Rapids, Mich., this morning in regard to the Belleville man who had become demented there. The name it seems is C. A. Chambers, and the authorities asked if there was a man bearing that name residing about five miles from Belleville. On looking up the directory the Chief found that a man named "G. A. Chambers" resided on lot 12 in the 4th con. of Thurlow.

It is regrettable that the similarity of names should have led to his confusion with a well known insurance agent who formerly resided here. The friends of Mr. Chamberlain, it may be added, were so incredulous as to the truth of the former rumor that they did not even think it necessary to make inquiries.

GOLD IN HASTINGS.

A District Rich in Minerals Being Opened Up and Worked.

Ottawa Citizen: All the gold is not in the Yukon, nor yet in British Columbia. There is an immense tract of it in Hastings, Addington and North Frontenac, which is gradually being taken up and developed by practical miners. The Kingston papers last week contained interviews with George Wilson, the well known contractor, who spent a full day in inspecting the mill and property of the Sovereign gold mine, and the Brockville papers contain similar interviews with Dr. Weston and Dr. Jack son, of that town, both of whom paid a visit to the mines. All three are highly enthusiastic over the wealth of the district, and procure excellent specimens of ore very rich in gold and other minerals.

They are firmly convinced that there is a great future for mining in this district. They report that mines are now being operated steadily and profitably, and that new mines are being quickly opened which would settle the public with the richness of their ore were their assays published.

A PASTOR REMEMBERED.

Bible Class of Rev. N. Hill Makes a Presentation.

For some time past the Bible Class taught by Rev. N. Hill, in connection with the Sabbath School of the Tabernacle Church, has been making preparations for a surprise to its teacher, and last evening the event transpired. It took place in the lecture room of the church and about 75 persons were present, including the officers and teachers of the school and a few invited friends. Mr. W. H. Gordon, Superintendent of the School, presided, and in his opening remarks referred to the valuable services rendered the school by the pastor, and the fine class over which he presided. This was followed by a vocal solo rendered acceptably by Master Erwin Gordon, an instrumental solo by Miss Blacorn, a duet by the Misses Ball, two little girls who sang, and a selection on the graphophone. "At this stage of the proceedings the subject of the gathering was made manifest. Rev. Mr. Hill was called to the front, and Mr. D. T. Rutledge read an address, which referred in complimentary terms to the faithful services rendered by the reverend gentleman in his capacity as their teacher. At the proper time Mr. R. Rutledge presented to their teacher a beautiful framed crayon picture of himself, and Mr. Hill was completely taken by surprise, but made a happy and appropriate reply, expressing his high appreciation of the gift and his thanks to the donors. The refreshments were then served, after which the remainder of the programme was carried out, consisting of recitations by Miss Ethel Sager, Miss Kerkley, Miss Ella Hudson, and Mr. Fickett of Albert College, which were interspersed by appropriate selections on the graphophone.

The evening's proceedings throughout were of a most social and pleasant character, and cannot fail to cement even closer the kindly relations which exist between the teacher and the scholars of the class.

The picture is a fine likeness of Rev. Mr. Hill, and reflects much credit upon Mr. R. McCormack, who executed it.

ANOTHER GONE.

The Ranks of the Veterans of '37 Growing Thinner.

An old and very much respected resident of Concession passed away very suddenly Wednesday morning, last week, in the person of Mr. James P. Locie, in his seventy-sixth year. Mr. Locie was very smart for a man of his age, and the day before his death he attended the sale at Joseph L. Adams' and was as well as usual. On Wednesday morning he got up, made his breakfast as usual and started to go over to his son's, Daniel James, who lives just a short distance from his father's, which place, however, he did not reach alive as he dropped dead in the road before he reached his son's house. Miss Ida Howe, who teaches school on the Point, where Mr. Locie lived, took him to the school house and found Mr. Locie lying prostrate on the roadside nearly in front of his son's residence. She at once gave the alarm and ran and told Mrs. Locie. Mr. Locie had not been gone out of the house more than ten minutes before Miss Howe came telling Mrs. Locie that her husband was dead. It was a great shock to her and the children, and his sudden death was a very great shock to his neighbors and friends. Mr. Locie was a staunch life-long Conservative, and a great lover of his Queen and country, which he showed in a practical manner in the Rebellion of 1837-8. He also loved his God as well as his Queen. He was a great shock to her and the children, and his sudden death was a very great shock to his neighbors and friends. Energy Easily Earned.

Wasted energy must be made up or the body will weaken and perhaps perish.

For a long time prior to taking Dr. Ward's Blood and Nerve Pills my nerve system was greatly deranged and I was

dearly nervous, so much so that in my

business (Lineman of the Kingston

Electric Light Co.) my extreme nerve

was naturally made the following of my

business extremely hazardous. Before

taking Dr. Ward's Blood and Nerve Pills

my kidneys had been affected for some

time. I had constant soreness and stiff-

ness in my limbs and the small of my

back. My appetite was variable and

very poor. I also suffered greatly with

constant headaches. I am glad to be

able to inform you that Dr. Ward's Pills

completely cured me of all the above

ailments and made me a well man. I

have found no medicine like Dr. Ward's

Blood and Nerve Pills, although I have

tried many different kinds. They acted

quickly and effectively on my nerve

system, making my nerves strong and

removing all indications of nervousness.

These valuable pills also removed all

kidney and bladder troubles and restored

me a healthy vigorous appetite. I have

had no headache since five months ago

and feel justified in saying that they are

a wonderful remedy. They not only

removed nervousness, but gave me

healthy nerves, renewed the vitality and

stiffness from my back and loins,

cured me of headache and gave me a

good appetite, consequently I am highly

satisfied. I know of no medicine that

cures Dr. Ward's Blood and Nerve

Ten Cars Derailed and 72 Tons Burned

the Irvine River—Man Burned

Beyond Recognition.

Fergus, Feb. 24.—Wednesday evening

about 6 o'clock, when passing the bridge

over the Irvine River, three miles west of

this place, the Grand Trunk main line

train, consisting of 10 passenger cars, a

tender and eight cars passed safely over

the bridge, but the ten cars immediately

following went into the river, and a dis-

aster of 72 tons, into the river, the second-

class coach and car in front of it, although

it was a private car, was not injured. The

trainmen and passengers were uninjured. A

bull and a pig went down with the

wreck, which was a complete one.

Yesterday morning the charred trunk

was found near the bridge, and the

remains were brought here. An in-

quest will be held. The accident

was caused by a broken axle.

KOOTENAY CURE WILL SAVE YOU

This Time "La Grippe" Intensified the Disease—Ask the Lady Herself What Kootenay Did for Her.

Ottawa, August 7th, 1895.

Dear Sir,—I cannot find words to express to you my gratitude for the service your Kootenay Cure has done me. I had been treated by the best doctors in Ottawa for Rheumatism, but they told me that my case was so complicated, my trouble having originated from La Grippe, that any relief they could give me would be temporary. Just at this time I heard of your remedy and you were kind enough to call on me. I had very little hope of relief at first, but almost immediately after I had used your medicine, I felt a great relief. I am now physically speaking, old things have passed away and all things have become new. I can go anywhere I wish. My nerves are as strong as ever they were in my life and no change in the atmosphere has any effect on me now. I cannot thank you enough, but write this so your service may be known to all who seek relief. You can refer any person to me at my residence, 199 Albert Street, Ottawa, and I shall be only too glad to give them any information in my power.

Yours gratefully,
Miss M. A. FINE,

THE LEGISLATORS' FEE DAY.

The Ontario Assembly sat Only Half an Hour on Friday.

Replies to Mr. Carson's Question About Funds in Court, Respecting Which the Legislature had passed a Resolution of a Return as Full and as Early as It Is Possible to Make It—Fisheries Board Service.

Toronto, Feb. 25.—Yesterday was almost an off-day at the Parliament Building. The hon. legislators only sat for half an hour. There were many vacant seats on both sides of the House, and the Government was only represented by the Attorney-General and Hon. Mr. Davis. The campaign in South Perth had an irresistible attraction for several Members, including Hon. Mr. Ross. Mr. John Barr (Dufferin) presented two petitions from his constituency against the passing of the Ontario Veterinary Surgeons' bill, and Mr. W. L. (York) a bill respecting the office of sheriff.

In reply to Mr. H. Carson's series of questions respecting the investment of funds in court, the responsibility for the same, and the interest received, the Attorney-General said, by J. A. rule 921 (which remains unpassed, and which is printed in Macdonald's Judicature Act, second edition, p. 177). It was ordered that the judges of the Chancery Division might arrange with the Toronto General Trusts Company to make investments and to take security in the name of the accountants of the Supreme Court of Justice in connection with the court upon first mortgages of land, etc. The rate of interest had been modified by the judges from 4½ to 5 per cent. No specific funds are invested. Titles are investigated by the solicitor for the Toronto General Trusts Company and are approved by the registrar of the Court of Appeal, who also approves of the valuation. The Toronto General Trusts Company are the only company with which the court has at present any arrangement with reference to the investment of money. The Toronto General Trusts Company has for some time been anxious that the work should be divided with other companies. The consideration which the Toronto General Trusts Company receives is a percentage of the interest received on the investments, varying with the rate at which the investments are made.

Answers Deferred.
Questions by Mr. A. B. Thompson (Centre Street) and Mr. J. H. Gaultie (East Victoria) were allowed to stand over in the absence of the Commissioner of Crown Lands.

Kitchener Board Service.
Mr. C. B. Powell (Ottawa) asked: How many officers have been appointed to the Kitchener Board (inside service) since Sept. 1, 1898; their names and salaries.

The Attorney-General stated, in reply, that there are three officers: Mr. Bastide, transferred from the Attorney-General's office, salary \$1,500; Mr. James W. Miller, transferred from Ottawa, salary \$1,400; and Mr. W. W. Ellis from the Postoffice Department, salary \$700.

Money in Court.
Mr. Carson moved for a return showing the total amount of money now on deposit in, or subject to, the control and distribution of the Supreme Court of Justice for Ontario or other divisions thereof; the full style of cause of each action or proceeding in which such money is held; and the names of the parties. The consideration which the Toronto General Trusts Company receives is a percentage of the interest received on the investments, varying with the rate at which the investments are made.

That Andrew Story Was True.
According to a Letter in The Siberian Advertiser.

New York, Feb. 25.—A despatch to The West from Berlin says: The following letter, which may have started the recent report in regard to the supposed death of Andrew, is published in The Siberian Advertiser. It is from a well-known sportsman named Ljalen: "I hasten to inform you that Andrew's balloon has been found."

"I was running in snowshoes after elk in the primeval forests of South Russia and came across traces of Andrew. It was 350 verses (234 miles) from Krasnarsk and 100 verses (70 miles) from the vast wastelands in Saravich, down in the pit of the river."

The balloon and ropes were torn, and three bodies lay at its side, one with a broken skull.

"Please prepare assistance, so that the balloon and bodies can be brought to the wastelands at Saravich, which can only be done by means of snowshoes."

I guarantee the truth of these facts, and shall soon be in touch."

Great Tobacco Pool.
New York, Feb. 25.—Notwithstanding the fact that the United States Tobacco Company has been formed, the American Tobacco Company has been formed. The deal places the American Tobacco Company in complete control of the cigarette and cigar business of the United States. The new trust will have a capital of \$100,000,000.

Kipling Is No Worse.
New York, Feb. 25.—The following bulletin was issued at 9 a.m. yesterday: "Mr. Kipling passed a comfortable night. The lower part of the left lung somewhat involved. Condition is not worse."

10:30 p.m. bulletin: Mr. Kipling, owing to added inflammation and a continuation of the disease, is a little weaker.

The Government was only a position, and the binder twins in this respect, and there was a feeling that such facilities should be provided.

Minister's Reply.
Hon. Mr. Davis said that there was no correspondence in his department on this subject.

Mr. Barr said he wished to be informed of where binder twins could be obtained and whether in large or small quantities. Hon. Mr. Davis said particulars of price and arrangements for sale were sent out in the form of circulars. Places of purchase were advertised in small papers. The price was fixed by certain laws, which he had already communicated to the public. The small percentage was allowed above the actual cost of maximum price. The Government was only a position, and the binder twins in this respect, and there was a feeling that such facilities should be provided.

Dr. Agnew's Catarrhal Powder

will restore you to complete, perfect health. It gives relief at once. It cures in an incredibly short time. Hundreds of cases from 5 to 25 years' standing have been cured—cases that physicians had pronounced incurable. The catarrhal powder acts on the mucous membrane of the nose, throat, chest, stomach, tonsils, jaw, fever, loss of smell, deafness and all similar diseases.

Mr. C. G. Archer, of Brewer, Maine, writes as follows: "I have had catarrh for several years. At last I got relief from Dr. Agnew's Catarrhal Powder, and since using the remedy I have been able to do my work and enjoy life. I am now well and strong."

A Strong Appeal for Greater Liberty in Their Support.

Why the Anglican Church Stands Only Third or Fourth in Ontario.

The annual missionary services were held in Christ Church yesterday, and in spite of the disagreeable state of the weather there was a fair attendance. In the morning Rev. Mr. Dill, of Wolfe Island, preached, taking as his text Acts 1, 8: But ye shall receive power after that ye shall be witnesses unto me, both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth.

The extension of Christ's Kingdom in the world is the essential work for which the Church exists, for as we see, Christ's parting injunction to His disciples was to make disciples of all people. As soon as the Church ceases to diligently prosecute missionary enterprise, the seeds of death begin to show themselves in her constitution. Various branches of God's Church have appeared flourishing, have shown the fruits of holiness and pious learning, and yet have become extinct, because they neglected to obey Christ's final command. For instance, take the North African Church, which did grand work for truth and which gave the world such men as St. Cyprian and St. Augustine, and yet to-day not a trace of it remains. Just as soon as our Anglican Church in Canada ceases to be diligent, active and resolute in the prosecution of this work, it has already become a dying church. He was pleased to notice throughout this Diocese a quickening of the missionary zeal, and an awakening to the fact of our neglect in the past. Thousands of emigrants have come over from England and Ireland, reared in the Church of England or Church of Ireland, and have been neglected by the Holy Mother Church, and other bodies of Christians have been active with the result that they are entirely lost to the church of the fathers. Although we were first in the field and most of the settlers belonged to us, yet now we stand only third or fourth in the religious life of the Province. This is because we have neglected our duty.

Now there are signs of a revival of missionary zeal and we are beginning to realize the vastness of our responsibilities and how long we are doing for God and our fellow-creatures.

We should not rest satisfied with merely giving the money, we should take an intelligent interest in the manner in which it is expended.

In the Diocese of Ontario, comprising the Counties of Hastings, Prince Edward, Lennox and Addington, Frontenac, Leeds and Grenville, there are 5,835 Church of England families and 7,898 communicants, yet the total gifts for the diocese mission fund last year amounted to only \$5,092. In the Diocese of Hastings there were 1,076 Church of England families, 1,380 communicants, yet the total gifts for the fund last year were only \$949, while the same diocese drew from the fund \$1,000. This was due to the poor Diocese of Ontario, yet if the other Dioceses had not done better the work of the Church would have been greatly hampered, and the blessing of the ministration of the word and sacraments would have been withheld from thousands of souls.

The average stipend of the missionary priest in this Diocese was less than \$500, and yet people expected an incumbent, a gentleman by birth and breeding, with a university education, to have himself and a wife on such a salary. It was morally impossible. In Madoc the priest received \$350 per year, including a grant from the mission fund, and in Queen's, where the priest had to keep two horses, only \$450. The Presbyterians would not allow their minister to work under \$750 a year, and he did not know one who would limit the Diocese of Ontario who received less, and yet not one Anglican missionary priest received more than \$800. Methodists expected every member of the Society to give at least \$1 per year to the Church Extension Fund, to be paid on the receipt of Quarterly reports. He trusted that the Anglicans would see that the amount of their gifts would at least be equal to the sum of \$1 for every communicant.

ST. JOHN'S CHURCH. As the morning service Rev. Dean Carey, of Kingston, gave an address on Missions, and made an appeal on behalf of the Mission fund of the diocese. Rev. Mr. Dill, of Wolfe Island, spoke on the same subject at the evening service.

THE GAS COMPANY.

The Main on Bridge St. to be Replaced.

The annual meeting of the Belleville Gas Company was held on Saturday afternoon at the office of Messrs. Bell & Biggar, Bridge St.

A statement of the receipts and expenditures of the year was submitted, which showed the Company to be in a good financial position. A dividend of 4 per cent. to the stockholders has been declared during the year, and this in spite of extra expenses. A new holder has been elected during the year, which cometh with other necessities \$1,900.

The stockholders recommended that, if the Directors could see their way clear, they should have the service on Bridge St. by placing in a larger main.

The Directors elected were: Mayor Johnson, Messrs. Frank Dolan, J. L. Biggar, E. Donald, R. Wood and W. J. Thompson.

The Directors met subsequently and elected the following officers for the year: President—Mayor Johnson.

Vice-President—F. Dolan.

Syn. Treas.—J. L. Biggar.

Auditor—R. Donald.

An Industry Which Promises to be of Great Benefit to This County.

A company known as the Trent Valley Peat Fuel Company has been incorporated, with sole authority to manufacture peat fuel in Peterborough, Ontario, Northumberland, Hastings, Victoria, Prince Edward and Haliburton Counties. The charter members are: Mayor Davis, of Peterborough; Aaron Cox, Director of the Central Canada Loan & Savings Company; W. G. Morrow, Manager of the Toronto Savings & Loan Company; J. R. Stratton, M.P.P. for West Peterborough, and W. S. Sims, contractor for the Trent Valley Canal.

As all those gentlemen are known or known to be men of business and integrity, it is surmised that that astute capitalist is behind the scheme. Deposits of peat were first found in the Trent Valley four years ago by Mr. Sims, and they now give promise of being a great source of wealth to the District.

The peat bogs are, in addition to their usefulness, places of much interest. They are found in many places in Ontario, and in central Ontario are especially rich in the vegetable fuel. On the surface is found an odd mossy grass. This grass bears the curious relation to the peat of being nourished by it, and of annually falling and forming a layer on the surface which in time becomes peat. The peat has thus the nature of a live plant, annually producing an addition to itself. In the Ontario bogs the peat is particularly plentiful, extending from 17 to 25 feet in depth. Beneath the peat there is found a further deposit of a curious pink-colored gelatinous substance, which when exposed to the air dries and becomes quite hard, with the appearance of limestone. When hard it has a brown color and burns similarly to coal. Of this deposit little use has yet been made, but the two upper deposits are now becoming valuable for various purposes. Of the actual peat only the one use is made. But of the moss on the surface, which until recently has been removed and cast aside as a useless refuse, an important by-product has been made. A few of its many uses are as packing materials for the manufacture of fine packing material, disinfectants, textile fabrics, paper, carpets, curtains and wall papers. It consists of long fluffy strings, in appearance resembling faded moss. These plant-remains abound in spiral coils, which make it extremely absorbent. It will absorb ten times its own weight in water and is, therefore, much more absorbent than ordinary straw. The moss contains all the antiseptic and disinfectant qualities of the peat. On account of this it is a much better material than straw. For packing perishable and breakable goods it is also well adapted, being less easily penetrated by heat and cold. When dried it possesses neither capable of fermentation or decay. It is elastic, fibrous, durable, a non-conductor of heat and non-combustible. A means of weaving the grass has recently been invented in Vienna and it can now be made into coats, hats, carpets, ropes, rugs, matting and pillows. As a substitute for absorbent cotton it has a decided advantage in its natural antiseptic quality. The possibilities, in fact, for the use of the peat grass seem to be unlimited.

THE DEED SIGNED.

The Elevator Formally Transferred to Mr. Corby.

At the Council meeting held on Monday night, 6th inst., a special committee composed of His Worship the Mayor, Aldermen Doyle, Panter, Hanley and Hungerford was appointed to arrange details in reference to the sale of the elevator to Mr. Corby.

This concluded the business for which the morning, all being present but the Mayor. Ald. Jones was also present.

Ald. Panter, Chairman of the City Property and Market Committee, occupied the chair, and stated that the object of the meeting was for the purpose of signing the conveyance of the deed to Mr. H. Corby, which, on motion of Ald. Doyle, seconded by Ald. Hungerford, was unanimously carried. The report was then signed by the chairman.

The question of the rebate of taxes for two months was considered. It was decided that the date of collection of taxes was to be from the time Mr. Corby purchased the property, and not from October last. This concluded the business for which the committee was called, and it adjourned.

Good Overcoat Trade.

A great many people would be surprised to hear that the Oak Hall are doing a big overcoat trade at this late season. Last Saturday had the best day of the season since the first of the year, and not one bought with the expectation of getting much service this year, buying for next winter and saving money. Any overcoat or ulster in the store at cost, that is the drawing card.

Christy's Hats.

We have received our new spring stock of Christy's celebrated English Hats. We have them in the following shades at one dollar each: Brown, Tan, Black, Cuba, Pearl and White. Buy your Hat from Quick & Robertson and save money.

Another Good Contract.

Mr. Frank Dolan, Belleville's enterprising contractor, in partnership with Mr. Booth, a Brookville gentleman, has secured a contract for constructing the grand public walks for the town of Brookville for 1899. The contract was awarded at a meeting of the Board of Works on Friday last, and the work will be done in thorough style, and receiving honorable treatment from Mr. Dolan.

Sweet, refreshing sleep is given by Hood's Stomach Balm, which cures all dyspeptic symptoms.

PORT HOPE WON.

A Fast but Rough Game Won by the Visitors.

The Referee's Decisions Were Sometimes a Good Deal Off.

Fast but rough was the hockey game last night between the Ontario and Belleville, Champions of the Ontario League, and the Ontario, of Port Hope, Champions of the Midland League. The latter team won on their merits, although a couple of decisions by the referee, W. McMillan, of Port Hope, gave them a little unfair advantage.

The Belleville team played a beautiful hockey in strokes, but on the whole their play was not fast as that of their opponents.

The game started well for Belleville. After some swift passing, and long lifting on both sides, the ball was finally sent into the net, rushed it up and Lang to red. Time ten minutes. McGuire got the advantage on the face-off, and passed to Mac, who passed back and after a beautiful dash McGuire scored. Time, 20 seconds.

Port Hope's forward line then began to figure prominently, and they made repeated assaults on the goal, but Billy Mac, who was always in the way, after five minutes of the hardest kind of play, Lawrenceson finally did the trick. During the remainder of the second half the brilliant attempts of our boys to score were frustrated by the Ontario's cover point, playing a superb game. Time and again he lifted the puck from over the end of the stick right into the net. In the meantime our defense was feeling the loss of Francis, Filion proving rather a disappointment. Hulme, in shooting the puck at times rushed the puck down the ice in cyclone style. Lawrenceson and Coleman both succeeded in shooting the puck through, leaving the score at half time, 3 to 2.

In the second half the Ontario again forced matters on the start, Lang evening the score in 3 minutes, 30 seconds later, McGuire, amid a storm of cheering, made one of his incomparable runs down the ice and scored. Three minutes later Port Hope again tied the score, and five minutes after that they allowed them another goal in spite of the efforts of Nolan, and, although palpably weary, he was sustained by the referee, who seemed to give his friends every advantage possible in his decisions. Play had only resumed when McGuire scored, and he was over the end, and Dr. Yonemans had to be called in. Filion was sent out of the game. Time, 30 seconds.

From this stage the game was unmistakably Port Hope's. Nolan became the star of the game, and his brilliant and well-sustained attacks. Three goals were scored by him, the ubiquitous McGuire holding the puck for a long time in Belleville's score. The play was extremely rough and almost every player on the ice deserved the fence. Filion took a cramp in the leg a few minutes before time was up and when play was resumed, his case was hopeless. The official score was 8 to 0, correct score, 7 to 0.

STIRLING MAN DEAD.

Mr. Uriel Wright, Tanner, a Victim of La Grippe.

Mr. Uriel Wright died at his home in Stirling on Sunday morning from the effects of an attack of pneumonia, induced by la grippe. He was 64 years of age and for many years had conducted a tannery, established by his father. He is survived by a wife and three children, Brenton, Stirling; Clark, of Buffalo, N.Y.; and Mrs. Bates, of Kingston.

Mr. Wright was highly thought of in the community, and had been elected by his fellow tanners to the office of President of the Councillors and School Trustees. He was a very staunch Conservative in politics, and was an active worker in the Methodist Church.

New Spring Suits.

The Oak Hall are opening up their new \$10 spring suits. They are all made after the "fit-reform" style without any advance in price. Fine Scotch tweed suits, all shades of imported wools. Our new \$10 suits are far finer than ordered clothing and you only pay one-half the price.

The Leagues.

The social department of this E. L. entertained the members and friends of the Epworth League last night. Owing to the tannery was thoroughly enjoyed by the large number present. A very excellent programme was presented, consisting of readings by Miss Spadford, Taylor and Misses, and musical selections by Misses La Voie, Sager and Badgley. Interspersed throughout the programme were a number of games, the music for which was furnished by Misses Lloyd, Laxier, Lavoie, Pringle and Mr. E. R. Gordon. The unqualified success of the evening reflects great credit on the President of the social department, Miss Moran, and her co-workers.

Surprise Party

On Friday evening last a large party of friends from Deseronto, Shannville and Thorvald invaded the residence of Mr. Wm. Pope of this city. The party was a surprise party, and was a most enjoyable one. After supper an enjoyable time was spent in listening to songs, recitations, addresses, etc. Before retiring the party tendered to Mr. and Mrs. Pope their thanks for the hospitable manner in which they had been entertained.

A Hamilton Man's Bad Sprain.

Mr. Jos. A. Sutton, marble polisher for Forrester & Sons, Hamilton, writes: About a year ago I fell on a piece of ice, causing a very painful injury to my shoulder. The injury was not serious at the time, but it was not until a few months ago, when I was advised to try Griffiths' Menthol Liniment, that I was completely cured. The pain was returned, and I think the merit should be known by all. It is a wonderful remedy. Sold by all druggists, 25c per bottle. For sale by D. M. Waters, cor. Front and Bridge streets.

Rich Vein Struck.

The Deloro correspondent of the Marquette Herald says: Happy smiles gleam on the faces of the officers of the C. G. F. on account of their having struck again the old vein of the Galtin shaft. They had sunk for forty-five feet without the sign of anything of value. Since the strike was made a double force of men have been at the shaft. The vein now shows 34 feet in width and is very rich.

To Cure a Cold in One Day

Indecent Assault.

John H. Marcell, of the Mohawk Reserve, was this morning charged before Police Magistrate Flint with an unusual offence, his daughter Hannah being the complainant. After evidence had been submitted the accused was committed for trial. Mr. P. J. M. Marcell, for the Crown, and W. Carrow for the defendant.

Vital Statistics.

The vital statistics of the city, as registered with the City Clerk for the month of February, are: Births 2, marriages 1 and deaths 17, the cause of death being as follows:—Apoplexy 1, pneumonia 5, old age 2, heart disease 2, la grippe 1, pertussis 1, Bright's disease 1, cancer 1, bronchitis 2, liver complaint 1.

NEW SILKS.....

At RITCHIE'S.

The Spring and Summer of 1899 will see Silks much more freely used than for years past. Leading Fashion Journals predict that there will be THREE TIMES AS MUCH Silk used as last year. Silks for Waists, Silks for Skirts, Silks for Linings, Silks for Entire Dresses, TAFFETAS still rule supreme, but of a softer nature than hitherto used, and possessing better wearing qualities.

In patterns the greatest favorites will be STRIPES. These are to be made up either lengthwise or Bayadere, and the new styles are very effective. Persian, Turkish and Arabic Coloring have been introduced in the stripes and will be much sought after by Ladies of fashion.

We confidently assert that we have never shown a handsomer or more complete assortment of the fashionable weaves and colors in Silks. We invite you to inspect them.

Heart Trouble

A Few Bottles of Hood's Sarsaparilla Perfectly Cured.

I had a heart trouble for years. I was persuaded by a friend to try Hood's Sarsaparilla. After I had taken three bottles, my heart began to feel better, and I was able to do my usual work. I continued to take it until I had taken a dozen bottles, and now I feel perfectly well. I can do my usual work, and I am able to enjoy life. I am a great believer in Hood's Sarsaparilla, and I can recommend it to all who are suffering from heart trouble.

Hood's Sarsaparilla

Is the best in the fact that it is the only Sarsaparilla that is made in the United States.

Hood's Pills are the best for constipation.
